

SAPPHIRE

The Western Indian Ocean Large Marine Ecosystems Strategic Action Programme Policy Harmonisation and Institutional Reforms (WIO-LME SAPPHIRE)

GOAL

‘To achieve effective long-term ecosystem management in the Western Indian Ocean Large Marine Ecosystems in line with the Strategic Action Programme as endorsed by the participating countries’

PROJECT COMPONENTS

COMPONENT 1

Supporting policy harmonization and management reforms to improve ocean governance

COMPONENT 2

Stress reduction through community engagement and empowerment in sustainable resources management

COMPONENT 3

Stress reduction through private sector/industry commitment to transformations in their operations and management practices

COMPONENT 4

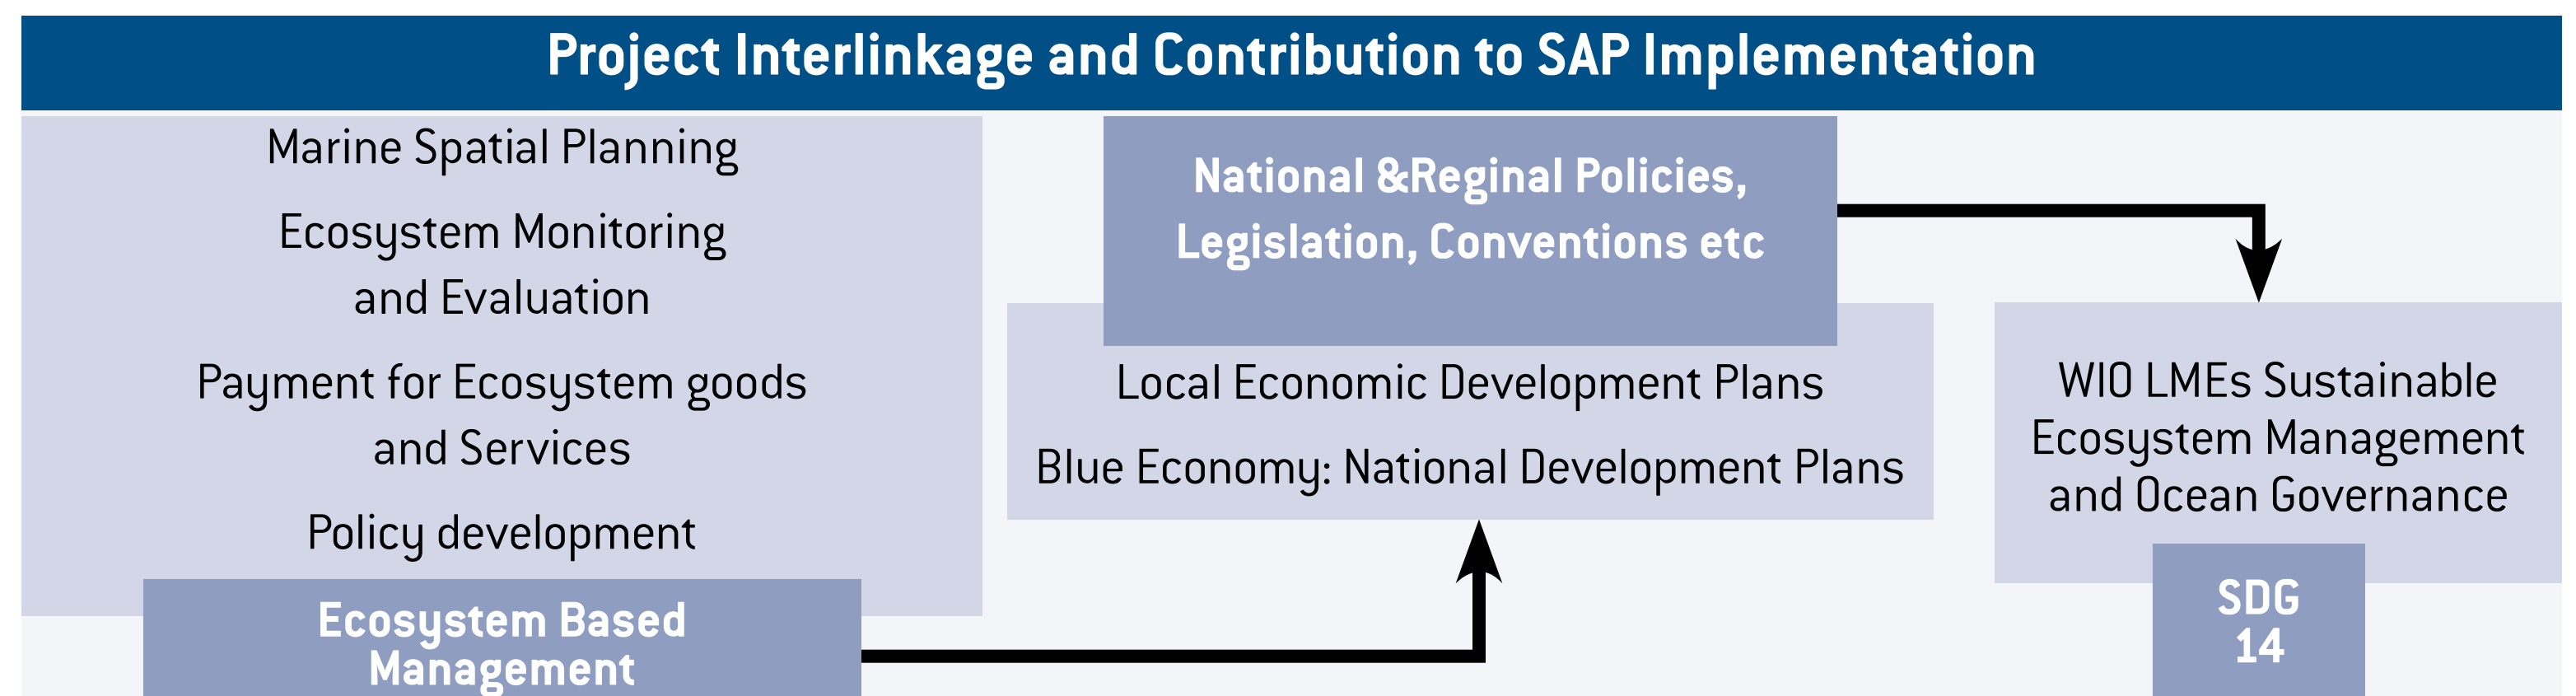

Delivering best practices and lessons through innovative ocean governance demonstration

COMPONENT 5

Capacity development to realise improved ocean governance in the WIO region
