

# Author Agreement

<b>Journal:</b>	<i>MEDICC Review, International Journal of Cuban Health &amp; Medicine</i>
<b>Title of Manuscript:</b>	
<b>Authorship</b>	All Authors must conform to the definition of Author set forth in <i>MEDICC Review's</i> site under <a href="#">Definitions of Author and Contributor</a> .
<b>Copyright</b>	Pursuant to the terms of this agreement, the undersigned author(s) (collectively called hereinafter “Author”) transfers and assigns to <i>MEDICC Review</i> (“the Journal”), all rights, title and interest in the copyright of the work identified above (“Work”), together with all of the exclusive rights comprised in such copyright and remedies as afforded by law. This transfer must be signed by all Authors of the Work in the event that there is more than one Author.
<b>Open Access</b>	Author is hereby informed that <i>MEDICC Review</i> online (ISSN 1527–3172) is an Open Access publication, which permits users of the Journal, without charge, to access, copy and redistribute the material in any medium or format the material found in <i>MEDICC Review</i> and to remix, transform, and build upon the material for any purpose, even commercially, subject to proper attribution of authorship (including the original copyright notice). The full terms of the Creative Commons License for Open Access are available at: <a href="http://mediccreview.org/about-us/open-access/">http://mediccreview.org/about-us/open-access/</a>
<b>License to Author</b>	Since <i>MEDICC Review</i> is an Open Access publication as defined above, notwithstanding the transfer of the work’s copyright to <i>MEDICC Review</i> , the Author is entitled to all of the rights granted by the Open Access license. However, Author may not distribute copies of the Work or make and distribute derivative works until after the Work has been published by the Journal. In any subsequent use of the Work, Author shall make proper attribution to the Journal as provided in the Open Access license.
<b>Credit</b>	Each Author will receive credit as author of the work when it is published in the Journal; the form and placement of the credit to be determined by the Journal. Author grants the right to the Journal to use his or her name, likeness, biographical information and professional affiliations in connection with the publication and promotion of the work and the Journal.
<b>Author’s Duties</b>	If the <b>Work contains copyrighted material not owned by Author</b> , then Author shall obtain written permission from the copyright owner, in a form acceptable to the Journal, to include such copyrighted material in the Work and to reprint it in the Journal, and shall deliver such written permission to the Journal, together with delivery of the manuscript of the Work. If the <b>Work acknowledges contributors</b> , then Author shall obtain written permission from each contributor to include such acknowledgment in the Work. <b>In the event that the manuscript is approved for publication</b> , Author agrees to respond, personally or through a designated representative, within 48 hours of notification, with approval (and any necessary corrections) of the edited translation.

<b>Warranties</b>	<p>Author guarantees that:</p> <ul style="list-style-type: none"> <li>a. the Work has not been previously published in any language, has not been submitted to any other journal before or during its consideration by <i>MEDICC Review</i>, is not in the public domain and is the original work of the Author;</li> <li>b.
