

*Report to the United Nations Committee on Elimination of
Discrimination Against Woman*

Japanese Pensioners Union

Japanese
Pension:
There's
disparity
between men
and women

*Monthly cost 100,000 yen, Male
34.17%, Female 85.18%*

*2012 flat rate reduction 2.5%
2015 to 39 courts nationwide
5297 suing*

**Regarding pension reduction without any question asked
Many beneficiaries are angry**

*Interruption of work period due to
child birth and childcare
Work interruption or short-time
work corresponding compensation
A woman is sleeping in the form of
low wages, low pension*

*Woman resign for marriage and
childbirth
Reemployment reached the goal
raising children contingent
employment*

Gender discrimination

As of October, 2024,

**Supreme Court's unjust judgement have
been continuing**
