Rules and Requirements

Note: **We will try as hard as we can to enforce the rules, but we can only do so much. It is up to YOU to help keep this event as safe and as fun as possible!**

Requirements/Prerequisites

- You must be a high school student to attend QuestHacks.
- You must have signed up online prior to the start of the event.
- You must have signed the waivers of liability and photo release.

Rules

- Please abide by the code of conduct at all times. Only you can hold yourself to your agreement!
- To maintain the integrity of this Hackathon, please do not start coding before the event starts as work from outside is not permitted.
- You may use open-source libraries, frameworks, or code in your project. Although, working on a project before the event and open-sourcing it for the sole purpose of using the code during the event is against the spirit of the rules and is not allowed.
- Please do not wander outside of the designated event area. A map will be provided as part of the resources packet.
- Please do not take more food than you can eat. You may be hungry, but others are too!
- To make sure that everyone has an equal opportunity to compete, please do not do anything to limit another team's performance.
- Please treat others with respect. We do not tolerate any type of segregation, racism, sexism, etc.
