# APPLICANT ENHANCEMENTS

# Unique Entity Identifier (UEI)

- Updated Registration, Workspace, Submission, Profile, EBiz, and Certificate pages to replace “DUNS” field labels with “UEI”, which stands for Unique Entity Identifier

The screenshot shows the 'MANAGE WORKSPACES' section of the Grants.gov website. At the top, a navigation bar includes 'LEARN GRANTS', 'SEARCH GRANTS', 'APPLICANTS', 'GRANTORS', 'SYSTEM-TO-SYSTEM', 'FORMS', 'CONNECT', and 'SUPPORT'. Below the navigation bar, a breadcrumb trail reads 'GRANTS.GOV > Applicants > Manage Workspaces'. An orange banner at the top of the main content area contains the text: 'Please enter DUNS number in UEI field until further notice. SAM's new UEI format is coming soon.' Below the banner, the 'MANAGE WORKSPACES' heading is visible. The main content area contains several input fields: 'Funding Opportunity Title', 'Opportunity Package ID', 'Workspace ID', 'UEI', and 'Application Filing Name'. An orange arrow points from the 'UEI' field to the 'DUNS' field, indicating the transition. To the right of the 'UEI' field, there is a 'Workspace Status' section with three radio buttons: 'New', 'In Progress', and 'Ready for Submission'. An orange callout box points to the 'UEI' field with the text: 'Banner will indicate how users should populate the UEI field'. Another orange callout box points to the 'UEI' field with the text: 'Previously, this field was labeled “DUNS”'.
