Don't Forget

You are REQUIRED to have a Virginia Tech PID (vt.edu email address) to access the Chapter Forms database.

Dear Chapter Volunteers,

Spring has arrived and the Alumni Association is gearing up for a busy season of community service and speaker events, as well as planning many exciting reunion and homecoming events for this fall.

This April, many chapters will feature community service-based programs through our Hokie Nation Serves initiative. Chapters have scheduled blood drives, community clean-ups, food drives, and have partnered with other local organizations to continue the Virginia Tech tradition of *Ut Prosim*. If your chapter would like to participate but is unsure how to get started, contact your chapter liaison for more information. Many chapters will host April 16 Remembrance activities across the nation, including 3.2 for 32 walks/runs, remembrance gatherings, and service projects. Please submit your Remembrance event information to [Ginny Ritenour](#) so that we may include it on the [2013 We Remember website](#).

As I shared last month, we are hosting several training opportunities this spring exclusively for chapter officers. Please review the list of sessions on page 2 and plan to attend at least one topic of interest to your chapter. We appreciate the expertise of experienced chapter officers who attend these events to share ideas and helpful advice. If you're interested in learning more now, we have materials from previous officer training events available on our website under "Presentations" on the [Chapter Resources page](#).

Check out the offerings in our [2013 Drillfield Series](#) to be held in Blacksburg, as well as the many exciting [alumni travel tours](#) for the upcoming year.

Chapter Event Highlight: Virginia Tech License Plates Come to Texas!

On March 5, the Austin, Dallas/Fort Worth, Houston, and San Antonio Chapters celebrated the launch of their brand new, official Hokie license plates in the state of Texas.

The license plate project was spearheaded by Chris Bryan '87 of the San Antonio Chapter, who enlisted support from all four Texas chapters before moving forward with the project. As a result of their coordinated efforts, the Texas alumni chapters will receive 10 percent of the profits from every plate sold to go towards the chapter's scholarship funds.

All four chapters had successful launches of the program and are even hosting a contest for the best customization, with the winner receiving a free plate!

Community Service Highlight: Richmond Chapter, Hokies vs. 'Hoos Food Fight

The Hokies vs. 'Hoos Food Fight originated in 2005 as service project where each school competes to raise money and food donations for a local food bank. The friendly competitions allow alumni to get off the sidelines and "get into the game," competing to beat their rival and help their community in the process.

This unique community service project capitalizes on the fierce rivalry between Richmond area Virginia Tech and UVA alumni and fans by encouraging donations to the Central Virginia Food Bank. Eight years of this heated competition have yielded more than 311,000 meals for the hungry in central Virginia, with the 'Hoos holding a 5-3 edge over the Hokies.

For the ninth annual Food Fight, alumni were encouraged to participate in several ways through late January and early February: make monetary donations through the event's website (Hokies earned five points for every dollar donated), donate non-perishable food items and money at all Richmond area Martin's Food Market stores (one point earned for each food item and dollar donated), or volunteer at the Central Virginia Food Bank (points were also earned for volunteering).

The 9th annual Food Fight was a huge success; with the Hokies proudly beating the 'Hoos, 37,127 points to their 33,548 points! Together, Richmond area alumni raised 68,774 meals for FeedMore and the Central Virginia Food Bank.

Communications Corner: We've Got Style!

From [Dave Hunt](#), [Denise Royal](#), & [John Borman](#)

Sometimes you may notice that what you submit on a template is changed when it's sent out to your chapter. All communications sent by the Alumni Association must follow our style guide.

These are some of the things we most frequently change on chapter submissions:

Who you are:

- The _____ Chapter of the Virginia Tech Alumni Association
- We go by your [chapter's official name](#):
The New River Valley Chapter of the Virginia Tech Alumni Association (not New River Valley Hokies Alumni Chapter)

How to ask for payment:

- Make checks payable to "Iowa Chapter – VTAA"

Times:

- 7 PM (if a time occurs at the top of the hour, notice we don't use ":00")
- 8:15 AM
- 9 – 11 PM
- 10:15 AM – 5 PM
- Note: We don't use p.m. or a.m.

Phone numbers:

- 540-231-6285
- Note: We do not use (540)231-6285

Dates:

- Saturday, April 6, 2013
- Saturday, April 6
- Note: We do not use 4/6/13 or 6 April 2013

Email:

- The word "email" is one word with no hyphen.

Words underlined:

- In MS Word, underlining is an easy way to make a word or phrase stand out. With HTML emails, a word underlined appears to be a hyperlink. Therefore, we cannot use underlined text unless it is a web or email link.
- If you want to make text stand out, bold it, make the size larger, or change the color.
