

ACTIVITIES REPORT 2022

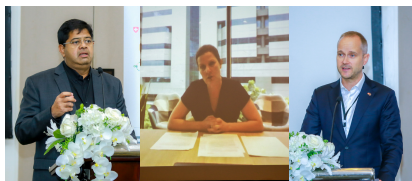

Highlights

Launched A Report On Youth and Disinformation in Malaysia

The report, support by Google, identifies the potential risks from disinformation that youths are likely to face in the 15th Malaysian General Election (GE15). The report launch attracted a crowd of over 100 participants and was covered by several Malaysian, Indonesian and Singaporean media.

YOUTH AND DISINFORMATION IN MALAYSIA:
STRENGTHENING ELECTORAL INTEGRITY

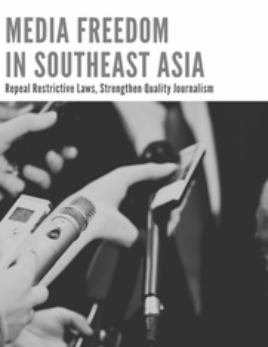

Held The 7th International Conference on Freedom of Expression in Asia

While countries were slowly recovering from the Covid-19 pandemic, Asia Centre held a hybrid international conference with 16 partners, which successfully brought together 110 participants across the world, ranging from human rights defenders, activists, academics, the media, tech companies, law firms and government officials
