

Association of Zoos and Aquariums

SESAC is offering current accredited members who operate zoos, aquariums, and similar establishments a 10% discount off license fees for the SESAC Museums, Planetariums, Zoos and Aquariums agreement

Why Do You Need a SESAC License?

SESAC is a Performing Rights Organization recognized under US Copyright Law, and if your customers can hear music in your business, then you likely need to secure a music performance license.

- ▲ **It's the law: U.S. Copyright Law requires the advanced authorization for the use of live and recorded music, TV, radio, or streaming musics**
- ▲ **Thousands of businesses large and small license with us – and have for over 90 years**
- ▲ **Over 1.5 million songs from top-selling writers and composers**

Gain Access to the Best Music for Your Business

Having a SESAC License means your business can legally play music from thousands of our songwriters, composers, and music publishers including names such as:

Adele

Get Started in Three Easy Steps

- 1 Scan the QR code or visit: sesac.com/aza**
- 2 Download the application and tell us about your business**
- 3 Email the completed application to cgreenberg@sesac.com**

What is a PRO?

A Performing Rights Organization (PRO) represents the copyrighted musical works of songwriters, composers, and music publishers. A PRO provides businesses using music (bars and nightclubs, restaurants, hotels, retail stores, fitness centers, country clubs, zoos, and aquariums) the ability to obtain a license granting blanket authorization to use the music it represents in exchange for license fees.
