

# APPLECARE+ WITH THEFT AND LOSS QUICK START GUIDE

---

Enclosed is your replacement device, as well as steps to get back up and running.

- 1** Charge your replacement device
- 2** Insert your new SIM card using the provided SIM-eject tool (see image)
- 3** Power on your device and follow the on-screen instructions
- 4** Enable **Find My iPhone** and follow the steps provided at [support.apple.com/HT205362](https://support.apple.com/HT205362)

*If your replacement is for a damaged device, activation instructions are in the FAQ section of [AssurantDeviceClaim.com](https://AssurantDeviceClaim.com).*

## WHAT IF I NEED A NEW SIM CARD?

Contact your wireless service provider for assistance with getting a new SIM card for your replacement.

## DOES MY REPLACEMENT HAVE A WARRANTY?

Your replacement device comes with a 90-day warranty or the remainder of your AppleCare+ with Theft and Loss agreement, whichever is longer.

## NEED HELP WITH YOUR REPLACEMENT?

For hardware issues, contact Apple at 800-APL-CARE (800-275-2273).

For wireless service issues, contact your wireless service provider.

For all other issues, please contact us at 877-406-4554 or visit [AssurantDeviceClaim.com](https://AssurantDeviceClaim.com).
