2.126(b) REPEAT

ACCESS AND INSPECTION OF RECORDS AND PROPERTY; SUBMISSION OF ITINERARIES.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 10:55AM and 11:22AM on 16-AUG-19.

We arrived at the facility at 10:55 and called the licensee who reported he was out of town for a work appointment and would check the afternoon schedule. He called us back at 11:22 and confirmed he had two afternoon appointments that likely would take the rest of the afternoon. I requested future availability and the licensee said that he would send us an updated calendar of availability.
