**54. Approve Sanctions against New Yorkers**
In response to New York enacting its "Green-Light Law" which permits undocumented immigrants living in New York to obtain drivers licenses, the Trump administration announced it would no longer approve applications from anyone living in New York for the following "Trusted Travelers Programs", Global Entry, NEXUS, SENTRI, and FAST. These programs allow for expedited border entry into the U.S. at airports or land border crossings. As of now, New Yorkers enrolling in TSA PreCheck are not affected. Do you approve or disapprove of the administration rejecting applications to Department of Homeland Security trusted traveler programs from all people living in New York?
