

*[Faint, mostly illegible medieval Latin text, likely a charter or deed. The text is written in a cursive script and appears to be a grant or confirmation of rights to a monastery, mentioning various lords and the year 1210.]*

*[A line of text at the bottom of the page, possibly a signature or a reference to a related document. It contains names and dates, such as 'anno d[omi]ni 1210' and 'mense decembris'.]*
