# Reviewer recognition

## Certificate

### Reviewer Reward Program

# Beyond authorship

# CRediT taxonomy

CRediT (Contributor Roles Taxonomy)

| <b>Term</b>                           | <b>Definition</b>  |
|---------------------------------------|--|
| <b>Conceptualization</b>              | <i>Ideas; formulation or evolution of overarching research goals and aims.</i>   |
| <b>Methodology</b>                    | <i>Development or design of methodology; creation of models.</i>   |
| <b>Software</b>                       | <i>Programming, software development; designing computer programs; implementation of the computer code and supporting algorithms; testing of existing code components.</i>   |
| <b>Validation</b>                     | <i>Verification, whether as a part of the activity or separate, of the overall replication/reproducibility of results/experiments and other research outputs.</i>  |
| <b>Formal Analysis</b>                | <i>Application of statistical, mathematical, computational, or other formal techniques to analyse or synthesize study data.</i>  |
| <b>Investigation</b>                  | <i>Conducting a research and investigation process, specifically performing the experiments, or data/evidence collection.</i>  |
| <b>Resources</b>                      | <i>Provision of study materials, reagents, materials, patients, laboratory samples, animals, instrumentation, computing resources, or other analysis tools.</i>  |
| <b>Data Curation</b>                  | <i>Management activities to annotate (produce metadata), scrub data and maintain research data (including software code, where it is necessary for interpreting the data itself) for initial use and later re-use.</i> |
| <b>Writing – Original Draft</b>       | <i>Preparation, creation and/or presentation of the published work, specifically writing the initial draft (including substantive translation).</i>  |
| <b>Writing – Review &amp; Editing</b> | <i>Preparation, creation and/or presentation of the published work by those from the original research group, specifically critical review, commentary or revision – including pre- or post-publication stages.</i>    |
| <b>Visualization</b>                  | <i>Preparation, creation and/or presentation of the published work, specifically visualization/data presentation.</i>  |
| <b>Supervision</b>                    | <i>Oversight and leadership responsibility for the research activity planning and execution, including mentorship external to the core team.</i>   |
| <b>Project Administration</b>         | <i>Management and coordination responsibility for the research activity planning and execution.</i>  |
| <b>Funding Acquisition</b>            | <i>Acquisition of the financial support for the project leading to this publication.</i>   |

## **Original**

S.C.P. and S.Y.W. conceived and performed experiments, wrote the manuscript, and secured funding. M.E., A.N.V., and N.A.V. performed experiments. M.E.V and C.K.B. provided reagents. A.B., N.L.W., and A.A.D. provided expertise and feedback.

## **Revised**

Conceptualization, S.C.P. and S.Y.W.; Methodology, A.B., S.C.P., and S.Y.W.; Investigation, M.E., A.N.V., N.A.V., S.C.P., and S.Y.W.; Writing – Original Draft, S.C.P. and S.Y.W.; Writing – Review & Editing, S.C.P. and S.Y.W.; Funding Acquisition, S.C.P. and S.Y.W.; Resources, M.E.V and C.K.B.; Supervision, A.B., N.L.W., and A.A.D.

# 3. invitation of editors from medical oncology

Since the category of submitted manuscript is going to diverse, Editors from various subspecialty MUST be invited, **however...**

## JGO

|                     |     |

## 2<sup>nd</sup> Editorial Board Meeting of the JGO

Date & Time: Nov 12<sup>th</sup> 2016, 12:00~13:0PM

Place: Conference Building, Sendai Int'l Center, Sendai, Japan

**From left front (clockwise):** Dong Hoon SUH, Masahide OHMACHI, Kaneyuki KUBUSHIRO, Ting-Chang CHANG , Jatupol SRISOMBOON, Takeshi HIRASAWA, Jeong-Yeol PARK, Sung-Jong LEE, **right side (from distant to near):** Maria LEE, Seung-Hyuk SHIM, Sokbom KANG, Yusuke KOBAYASHI, Aikou OKAMOTO, Jae-Weon KIM, Miseon KIM: Thank you ALL!

# Overseas activity of the JGO EB

1. August 12: annual meeting of the TGCS
2. November 18: Taiwan Taichung
3. December 2: 2017 ASGO Tokyo meeting

## **The topic of interest for the Thai gynecologic oncologists, especially the young group or beginners may be**

1. How to prepare /write the manuscript to get published in the JGO
2. Tips & tricks of manuscript preparation for publishing in international journal/JGO
3. How distinguished gynecologic oncologists plan research work to the benefit of women worldwide or to get published in JGO

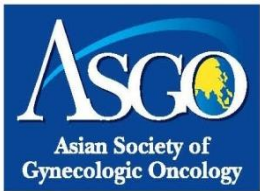

|  |        |
|--|--------|
| Current status of the JGO                                      | 10 min |
| How to prepare your investigation for publication in the JGO   | 20 min |
| Major clinical research advances in gynecologic cancer in 2017 | 25 min |
| Questions & Answers  | 5 min  |

# Education and promotion

- How to prepare your investigation for publication - 18 min x 2
- Prompt response to research reports for potential drafts, if any
  - Presentations and comments

**Please join us for the  
2017 ASGO Biennial Meeting!!**

# **2017 Biennial Meeting of Asian Society of Gynecologic Oncology**

**[Date]** Nov 30 (Thu) ~ Dec 2 (Sat), 2017

**[Venue]** Tokyo, Japan
