Europe PMC Roadmap - January to March 2019

Mission: "To build open, full text scientific literature resources and support innovation by engaging users, enabling contributors, and integrating related research data."

Europe PMC Objectives	In progress	Next	Considering
High performance service, continuous improvements	• Upgrade pPMC version and downgrade pPMC databases **90%**		• Add author profile link to ORCID registry when articles are claimed • Grant finder search by funding stream
Full text search/view mechanisms	• Investigate 'Did you mean?' spelling suggestions for search results **80%** • Versioning of preprint abstracts **60%** • Redesign of search etc. **60%**	• User research for image (figure) searching • Index date manuscript received in Europe PMC	• Add preprints to publication history chart on author profile page • Improve handling of structured abstracts • Display CASRAI author roles on abstract pages
Tools and approaches to support literature-based workflows	• Funder dashboards to check compliance and impact **60%**		• ORCID-based notifications for authors (e.g. new citations of your papers)
Platform for innovation	• Extension of text mining for data by resource names and accession numbers **90%**		
Integrate manuscript submission and related services	• Implement Manuscript Submission System with PubSweet open source components **87%**	• Investigation into improvements to manuscript ingest processes	

Last updated: 11/01/2018

Completed work - Quarter 4 (October to December 2018)

Europe PMC Objectives	Released/completed Q4 October to December 2018
High performance service, continuous improvements	• Annual MEDLINE data update
Full text search/view mechanisms	• Displayed PubMed Commons comments on articles using Hypothes.is • Dump of PMCIDs and date received for articles in the Europe PMC Manuscript Submission System • External usability testing of redesign beta site
Tools and approaches to support literature-based workflows	
Platform for innovation	• Text mined funder acknowledgements
Integrate manuscript submission and related services
