

**THINGS I LEARNED ABOUT
DIALOGS FROM
ELEMENTARY STUDENTS**

- To find one of the best local assistance resources it to look in the mirror, where you will find one of your county extension agents.

- When facing a controversial, it is often more efficient and effective to start with dialogues rather than meetings between conflicting sides. Dialogues and meetings are as different than going to a black tie wedding and staying home, watching a movie and eating popcorn.

- Let's look at some of the things that worked well in making the event a dialogue rather than a meeting.
