

Fifth Grade

Financial Literacy

Lesson 7
Outline Your Career Path

Reflect: What Kind of Career Do You Want?

Consider the following:

- What types of work interest you?
- What profession you are interested in?
- What type of education will the work you would like to do may require?
- How much may that education cost?
- How much income might your dream job pay?
- What will your work day look like?

Activity: Outline Your Career Path

Create a Google Slides presentation of your desired career path in 5 slides. You'll present to the class during the next lesson.

Slide 1: Introduction

What career have you researched and why did you choose that career?

Slide 2: Training and Education

What will you need to learn? How long will it take and what will that cost?

Slide 3: Day in the Life

What will your work environment look like?

Slide 4: Career Growth

What are your salary expectations and how will the industry change in the coming years?

Slide 5: Your Closing

Why do you think you will be successful?

thanks.
