***Lesson 8***  
***Share Your Career Path***

# Activity: Career Presentations

**Today each member of the class will present their career path!**

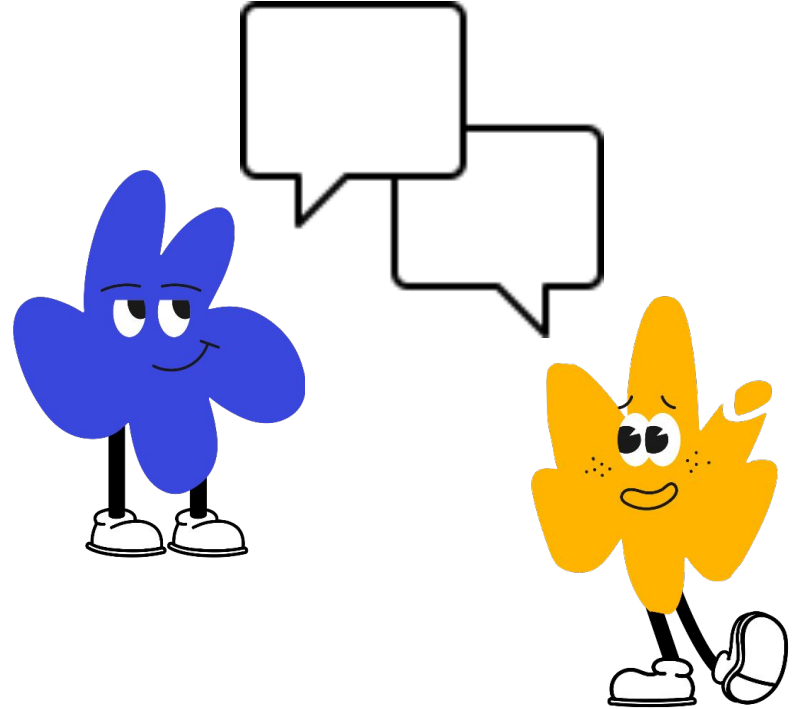

Your teacher will arrange a schedule. Each student will get 5 minutes to present their career path to the group.

# Let's Chat!

- What was the most interesting job or professions you learned about during this course?
- Is there a new career you would like to explore?
- What are you most excited about when it comes time to find a job?
- What's the first thing you are doing to do when you start making money?

thanks.
