

**Select Language**

Click on the arrow at the top right corner of the first page of the training.

Select your preferred language.

A screenshot of the Groundswell website. The background is a collage of diverse young people smiling, overlaid with a green tint. The word "GROUNDSWELL" is written in large white letters across the middle. At the bottom, the "Caltech" logo is displayed in orange on a white background. In the top right corner, there is a language selection menu with a red box around it. The menu is open, showing "English" and "Español" as options. To the right of the menu is a "Salida" link. A red arrow points down to the menu.

To update the Closed Captioning settings on videos in the training, click on the CC button at the bottom right of the video and select your preferred language. You will need to select this with each video.
