

RUBBER FLOORING

# MARINE SAFETY SURFACES

everroll®

Regupol®

**Regupol**  
(Australia) Pty. Ltd.

## Designed for marine enjoyment and safety

At Regupol we offer a rubber flooring range that delivers the ultimate boating pleasure. Good looks, good feel and comfort makes everroll® Granite Marine the good choice flooring option for tender boating.

At only 3mm thickness the product packs lots of aesthetic appeal, with added safety underfoot. UV stabilised combinations of EPDM and PUR binder produce a flooring product that is unmatched in such extreme environmental conditions.

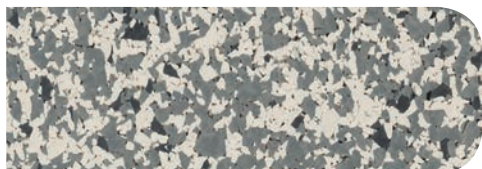

Hearing about the product is one thing, seeing and feeling it up close is another, so request a sample before making your decision.
