GOLDSIM LICENSE AGREEMENT

IMPORTANT--READ THESE TERMS CAREFULLY BEFORE USING THIS SOFTWARE. BY INSTALLING OR USING THIS SOFTWARE, YOU ACKNOWLEDGE THAT YOU HAVE READ THIS LICENSE AGREEMENT, THAT YOU UNDERSTAND IT, AND THAT YOU AGREE TO BE BOUND BY ITS TERMS. IF YOU DO NOT AGREE TO THE TERMS AND CONDITIONS OF THIS LICENSE AGREEMENT, PROMPTLY EXIT THIS PAGE WITHOUT INSTALLING OR USING THE SOFTWARE.

1.   OWNERSHIP AND USE OF GOLDSIM COMPUTER SOFTWARE

Subject to Licensee's payment of the applicable license fee and compliance with the terms of this Agreement, GoldSim Technology Group LLC ("GTG") hereby grants to registered Licensee ("Licensee") a non-exclusive, non-transferable license to use the GoldSim computer software, including any associated software modules purchased by Licensee, hereinafter collectively referred to as "GoldSim". Licensee agrees that all copies of GoldSim and its associated documentation, including updates, upgrades, revisions, changes, derivatives and modifications, remain the exclusive property of GTG.   Licensee is permitted to dynamically link GoldSim to other programs such as spreadsheets or subroutines contained in DLL files.   GoldSim and Documentation shall be used only for Licensee's own internal business use and not in the operation of a service bureau. GoldSim is "in use" on a computer when it is loaded into temporary memory (RAM) or installed into the permanent memory--for example, a hard disk or other storage device, and GoldSim has been activated.

Licensee agrees that it will protect the proprietary rights of GTG both during and after the term of this license and that it will honor and comply with reasonable written requests made by GTG, pursuant to statutory and common law rights. Licensee agrees that it will report the location of all in-use copies of GoldSim to GTG at GTG's request. Licensee agrees to provide attribution to GTG in any and all publications in which data generated by GoldSim is displayed.   All rights not explicitly granted herein shall be reserved by GTG.

2.   WARRANTY

LICENSEE USES GOLDSIM AT ITS OWN SOLE RISK. GOLDSIM AND RELATED DOCUMENTATION ARE PROVIDED "AS IS" AND WITHOUT WARRANTY OF ANY KIND AND GTG EXPRESSLY DISCLAIMS ALL WARRANTIES, EXPRESS AND IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. GTG DOES NOT WARRANT THAT THE FUNCTIONS CONTAINED IN THE GOLDSIM WILL MEET LICENSEE'S REQUIREMENTS, OR THAT THE OPERATION OF GOLDSIM WILL BE UNINTERRUPTED OR ERROR-FREE, OR THAT DEFECTS IN GOLDSIM WILL BE CORRECTED. GTG SHALL HAVE NO LIABILITY FOR ERRORS, OMISSIONS, OR INACCURACIES IN GOLDSIM. THE ENTIRE RISK AS TO THE RESULTS AND PERFORMANCE OF GOLDSIM IS ASSUMED BY LICENSEE. FURTHERMORE, GTG DOES NOT WARRANT OR MAKE ANY REPRESENTATIONS REGARDING THE USE OR THE RESULTS OF THE USE OF GOLDSIM OR RELATED DOCUMENTATION IN TERMS OF THEIR CORRECTNESS, ACCURACY, RELIABILITY, TIMELINESS, OR OTHERWISE. NO ORAL OR WRITTEN INFORMATION OR ADVICE GIVEN BY GTG OR GTG'S AUTHORIZED REPRESENTATIVE SHALL CREATE A WARRANTY OR IN ANY WAY INCREASE THE SCOPE OF THIS WARRANTY.

3.   LIMITATION OF REMEDY

NO ACTION, REGARDLESS OF FORM, ARISING OUT OF OR PERTAINING TO THIS LICENSE MAY BE BROUGHT BY LICENSEE MORE THAN ONE (1) YEAR AFTER THE CAUSE OF ACTION HAS ACCRUED. NEITHER GTG, NOR ITS MEMBERS, OFFICERS, EMPLOYEES OR AGENTS, SHALL HAVE ANY LIABILITY FOR ANY LOST PROFITS, BUSINESS INTERRUPTION, LOSS OF BUSINESS INFORMATION, LOST DATA OR FOR EXEMPLARY, PUNITIVE, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES OR FOR ANY CLAIM AGAINST LICENSEE MADE BY ANY THIRD PARTY. LICENSEE'S EXCLUSIVE REMEDY SHALL BE (A) REPLACEMENT OF GOLDSIM, OR (B) CORRECTION OF GOLDSIM, AT GTG'S SOLE DISCRETION. ANY DAMAGES UNDER THIS AGREEMENT SHALL BE LIMITED TO THE INITIAL PURCHASE PRICE.   THIS SHALL BE TRUE EVEN IN THE EVENT OF THE FAILURE OF AN AGREED REMEDY.

4.   BREACH OF AGREEMENT

In the event of any substantive breach by Licensee of the terms and conditions of this license, GTG shall have the

right to terminate this license by giving Licensee written notice of immediate termination. Upon receipt of a notice of termination, Licensee shall at no cost to GTG immediately uninstall GoldSim and destroy all copies of GoldSim and associated documentation.

5.   <u>TERM</u>

This agreement shall continue in full force and effect unless terminated by GTG pursuant to Article 4. The obligations of Licensee described in Article 1 shall survive such expiration or termination of this agreement. Upon the expiration or termination of this agreement, Licensee shall uninstall GoldSim and destroy all copies of GoldSim and documentation.

Desktop Standalone, Enterprise Standalone and Concurrent Network licenses may be used for an unlimited period. Leased Standalone Licenses only allow use of GoldSim for one year. Academic and Evaluation licenses only allow use of GoldSim for a limited period, which is typically six months to one year for Academic licenses and one month for Evaluation licenses.

6.   <u>NO ASSIGNMENT</u>

This license shall be assignable by GTG but shall not be assignable by Licensee, in whole or in part. Any attempt by Licensee to do so shall be void.   Licensee may not sublicense or otherwise convey to any third party any rights under this agreement.

7.   <u>RESERVATION OF RIGHTS AND OWNERSHIP.</u>

GTG reserves all rights not expressly granted to you in this EULA.   GoldSim is protected by copyright and other intellectual property laws and treaties. GTG or its suppliers own the title, copyright, and other intellectual property rights in GoldSim. GoldSim is licensed, not sold.

8.   <u>EXPORT RESTRICTIONS.</u>

You acknowledge that GoldSim is subject to U.S. export jurisdiction. You agree to comply with all applicable international and national laws that apply to GoldSim, including the U.S. Export Administration Regulations, as well as end-user, end-use, and destination restrictions issued by U.S. and other governments.

9.   <u>RESTRICTIONS</u>

Single-user licenses: Unless a multi-user Concurrent Network license was purchased, each licensed copy of GoldSim is intended to be used by a single individual or on a single personal computer. For Desktop Standalone licenses, the Licensee is permitted to reassign the license within the Licensee's organization up to six times per year so long as each licensed copy is used on a single personal computer. For Enterprise Standalone licenses and Leased Standalone licenses, the Licensee is permitted to reassign the license within the Licensee's organization an unlimited number of times.

Concurrent Network license: If Licensee has purchased a Concurrent Network license, Licensee may install and use GoldSim on any compatible computer on Licensee's internal local-area network (LAN) for use by the licensed number of concurrent users.

GoldSim versions: For commercial sales, Licensee is authorized to use the current release version of GoldSim (as of the purchase date) and any associated modules that are purchased, plus any maintenance releases issued within one year from the date of purchase or acquired under a separate maintenance subscription with GTG.

Activation of copies: Activation of GoldSim is required before it will run. Licensee may install the GoldSim software on multiple computers, but may only operate it on computers on which GoldSim has been activated. Activation may be carried out over the Internet or manually by telephone or email.

Licensed number of copies: Licensee may at any time have in-use a number of copies of GoldSim and its modules no greater than the number of licenses it has purchased from or been granted by GTG.

Evaluation license restriction: Evaluation licenses are intended for evaluation and training purposes only. Evaluation licenses can not be used for consulting or commercial purposes.

Academic license restriction: Academic licenses can only be used for teaching and "internally funded" graduate student research (i.e., student research funded at a low-level, typically using departmental funds) at non-profit academic institutions. Academic

licenses cannot be used by private or government research institutions or for "externally funded" research (i.e., sponsored research projects or research carried out by faculty or staff) at academic institutions. Academic licenses are subject to a 500-element limitation that is enforced by GoldSim.

Research license restriction: For a research license, GoldSim and its associated modules may only be used for research, and it can not be used for consulting or commercial purposes. Use is restricted to faculty at academic institutions. Research licenses cannot be used by private or government research institutions.

Copying or Derivation: Licensee may not publish, display, disclose, rent, lease, modify, loan, distribute, or create derivative works based on GoldSim or any part thereof without written permission of GTG. Licensee may not reverse engineer, decompile, translate, adapt, or disassemble GoldSim, nor otherwise attempt to create the source code from the object code for GoldSim. Licensee has no right to merge GoldSim into other programs without the express written consent of GTG.

Communication to Users: Licensee agrees to reasonably communicate the terms and conditions of this agreement to those persons employed by Licensee who come into contact with GoldSim, and assure their compliance with such terms and conditions.

10.   ALTERNATIVE WRITTEN AGREEMENT

Specific terms of this agreement may be superseded by a written agreement executed by both GTG and Licensee if such written agreement specifically references this section and expresses the intent that in the event of a conflict, the terms of such written agreement supersede the terms of this agreement.

11.   GENERAL

This agreement shall be construed, interpreted and governed by the laws of the State of Washington without regard to conflicts of law provisions thereof. The exclusive forum for any disputes arising out of or relating to this agreement shall be an appropriate federal or state court sitting in King County, State of Washington, USA. The prevailing party shall be entitled to be reimbursed its legal fees and costs.   This agreement shall constitute the entire agreement between the parties hereto. Any waiver or modification of this License agreement shall only be effective if it is in writing and signed by both parties hereto. If any part of this agreement is found invalid or unenforceable by a court of competent jurisdiction, the remainder shall be interpreted so as to reasonably effect the intention of the parties.

12.   ENFORCEMENT

In the event of a breach or threatened breach of this agreement, money damages would be an inadequate remedy and extremely difficult to measure. Licensee agrees, therefore, that GTG shall be entitled to a decree of specific performance or injunction, without the need for the posting of a bond, to restrain Licensee from such breach or threatened breach. Nothing in this Agreement shall be construed as preventing GTG from pursuing any remedy at law or in equity for any breach or threatened breach.
