ASSOCIATION FOR ENERGY AFFORDABILITY, INC. (AEA) is inviting contractors/vendors to place their names on our bidders' list for (1) Performing weatherization work in small homes and multiple dwellings and/or (2) Supplying weatherization materials for the same and/or (3) Performing boiler work in 1-4 family homes and multifamily residential. This list will be used to solicit bids for energy conservation improvements that will be performed during our 2024-2025 Program Year, which runs from 05/31/24-06/30/25. Job size typically can range from \$1k-\$60k in small homes and \$5k-\$1,000k in multiple dwellings in locations throughout the Bronx, Queens, and other counties in NYC. Car dealers are also invited to place their names on our bidder's list to solicit bids for trucks, vans, electric and hybrid vehicles. Work/materials will include, but not be limited to: heat pumps for heating and cooling, DHW, refrigerators, electric stoves; window and door replacement and/or repairs, insulation of attics, sidewalls and crawl spaces with cellulose blown in, fiberglass batting and foam; water heater and pipe insulation; heating system supplies including ventilators, thermostatic radiator valves, air valves and handles; low flow showerheads and faucet aerators; caulking and weatherstripping materials and air sealing work; replacement and cleaning and tuning gas and oil fired boilers, burners and water heaters including condensing and direct vent systems, cleaning vertical HVAC, exhaust ventilations system & roof fans; roof repairs and/or replacements, gutters; minor electrical work; photovoltaics and solar thermal installation; painting; hardwire lighting and LED lighting; cleaning and tuning stoves; asbestos removal; air conditioners, and other related weatherization work/materials. Interested contractors must be trained in lead safe work practices and possess insurance covering general, automobile, umbrella, and workers' compensation liability and in some cases, possess pollution occurrence. Projects over \$100k will require bond insurance. Some multifamily projects will require workers to be paid Davis Bacon wages. AEA reserves the right to request a financial statement from any contractor expressing interest in being placed on our bidders' list. AEA's Weatherization Assistance Program is federally authorized and funded through the Dept of Energy and the US Dept of Health and Human Services through an allocation from the NYS. Program is administered by the NYS Homes and Community Renewal, Office of Housing Preservation. There will be multiple solicitations throughout the contract year. Contractors on the bidders' list will be notified of all future solicitations by email. To be placed on these lists, please send a letter of interest describing what services/materials you provide, contact person and email no later than 09/19/24 to: Attn: Wx Dept., Association for Energy Affordability, Inc., 105 Bruckner Blvd, Bronx, NY 10454 or email bvila@aeacleanenergy.org AEA is a non-profit and EEO organization that encourages MWBE and SDVOB to participate. WAP is a federal and state funded grant program to improve energy efficiency and comfort in low-income buildings and houses. Building and homeowners seeking information and qualification for WAP can contact us at (718) 292-6733 x8212.
