Dr N J A Sloane  
Bell Laboratories  
600 Mountain Avenue  
Murray Hill, NJ 07974  
USA

Dear Dr Sloane,

I enclose a copy of a paper of mine, written about three years ago but only just out in print. Perhaps you may find it amusing. If you happen to have come across the same sequences in some other context, I'd be interested to know.

With regards,

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Colin Flight', with a large, sweeping flourish underneath.

Colin Flight
