

Pointed polycubes and distinct cells

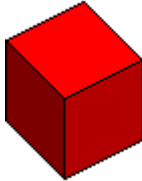

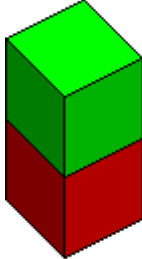

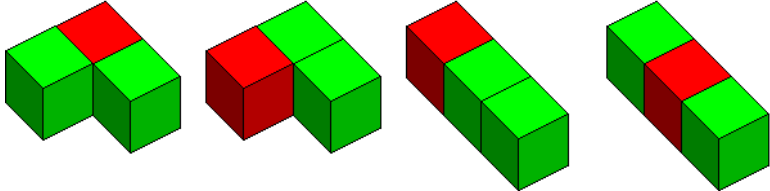

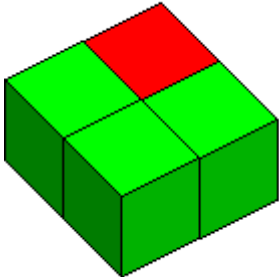

The first diagrams show the pointed polycubes of sizes 1 through 4.

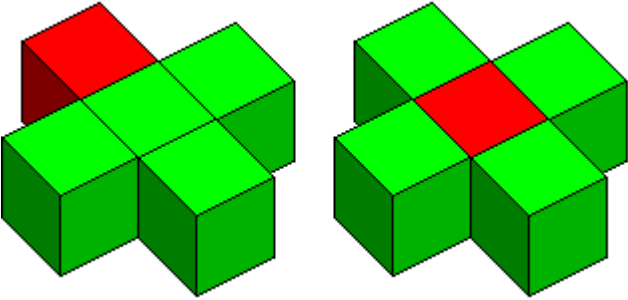

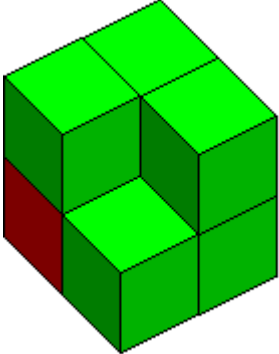

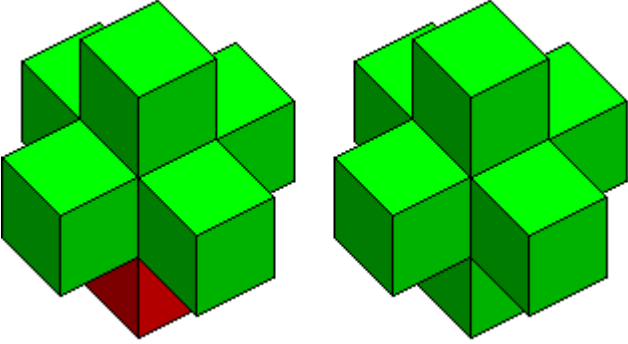

The successive diagrams illustrate the polycubes with the minimum number of distinct cells.

Pointed polycubes (A376797):

Polycubes with minimal distinct cells

Size	Minimum # distinct cells A376798	# polycubes with minimal distinct cells A376799	
1	1	1	
2	1	1	
3	2	2	
4	1	1	

5	2	1	
6	1	1	
7	2	1	
8	1	1
