(54) Title: SUGGESTING INVITATIONS TO JOIN A NETWORK

(57) Abstract: A method for suggesting invitations to a network. The method includes accessing information corresponding to a plurality of individuals, wherein a first user of the network is associated with the plurality of individuals. The method also includes determining whether any of the plurality of individuals merit an invitation to join said network with the first user. The determining is based on the information corresponding to a plurality of individuals.
