(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee. The sole FIGURE is a front view of a display screen or portion thereof with graphical user interface. The broken line showing of a display screen or portion thereof, including the lower rectangle formed by broken lines, illustrates portions of the article, and forms no part of the claimed design.
