The file of this patent contains at least one drawing/photograph executed in color. Copies of this patent with color drawing(s)/photograph(s) will be provided by the Office upon request and payment of the necessary fee.

FIG. 1 is a front view of an electronic device having a display screen with graphical user interface applied to the display screen, showing the claimed design; and, FIG. 2 is a front view of an electronic device having a display screen with the graphical user interface of FIG. 1 applied to the display screen.

The outer broken lines in the figures show a display screen or portion thereof, or an electronic device having a display screen, and form no part of the claimed design. The other broken lines in the figures show portions of the graphical user interface that form no part of the claimed design.
