FIG. 1 is a front elevational view of a vehicle body curtain showing my new design;
FIG. 2 is a right side elevational view, the left side elevational view being a mirror image thereof;
FIG. 3 is a top plan view;
FIG. 4 is a bottom plan view;
FIG. 5 is a rear elevational view;
FIG. 6 is a front elevational view of a vehicle body curtain showing a second embodiment of my new design;
FIG. 7 is a right side elevational view, the left side elevational view being a mirror image thereof;
FIG. 8 is a top plan view;
FIG. 9 is a bottom plan view; and,
FIG. 10 is a rear elevational view.

The broken lines showing of reflective material and hook and loop fabric fasteners is for illustrative purposes only and forms no part of the claimed design.

The fragmented shading is understood to be continuous throughout the implied area.
