

## Project Area Notice

### Final Submission Declaration

This declaration is being made as part of filing a notice to the Excess Soil Registry under section 8 of Ontario Regulation 406/19 under the *Environmental Protection Act*.

This document must be completed by a project leader for the project listed below.

It is an offence to submit false or misleading information to the Registry.

Unless otherwise stated, fill out all requested information and check the boxes indicating that the statement is understood and confirmed.

<b>Project Name:</b>	
<b>Site Address/Location:</b>	
<b>Registry Notice ID:</b>	
<b>Name of Project Leader:</b>	

**As project leader for the above stated project,**

- I have conducted reasonable inquiries to obtain all information relevant to comply with O. Reg. 406/19.
- I developed and applied all necessary procedures and steps to ensure that O. Reg. 406/19 is complied with and to ensure that excess soil from the project area was disposed of in compliance with O. Reg. 406/19.
- I confirm that all excess soil associated with this project has been removed from the project area, Class 2 soil management site, or local waste transfer facility, as applicable.
- I confirm that the declarations made in the initial submission declaration regarding the preparation of documents by a qualified person are complete and accurate.
- I confirm that the information filed in the Registry in relation to this notice is complete and accurate to the best of my knowledge, including information in respect of each site at which excess soil was deposited.
- I understand that the information provided as part of this notice, including this declaration, will be made publicly available.
