

HB1163_L.001

HOUSE COMMITTEE OF REFERENCE AMENDMENT

Committee on Energy & Environment.

HB23-1163 be amended as follows:

1 Amend printed bill, page 2, strike lines 17 through 23 and substitute:

2 "(e) The total contribution of anthropogenic carbon dioxide is
3 considered to be 120 parts per million out of 400 parts per million (30%);

4 (f) Approximately 15% of global hydrocarbon combustion is
5 attributable to the United States and thus accounts for approximately
6 0.2% of the overall heat energy in the atmosphere (15% of 30% of 10%
7 of 46% equals 0.002); and".
