[eTwinning: teaching, creating, innovating](#)

The 2023 annual theme for eTwinning is Innovation and Education – Being Creative with eTwinning. Defining innovation can be complex, as it can mean different things to different people depending on their context and perspective. In essence, innovation is a mindset that involves being open to new ideas, experimenting with different approaches and being willing to take risks to bring about positive change. If you are curious to know more, then you should download the eTwinning Book 'eTwinning: teaching, creating, innovating'.
