

APPLICATION STATUS

When you click the 'Click to check your application status' link, the My STA Account page will populate and 'My Applications – Status' will display.

These are the possible statuses of an application:

Started	The application is incomplete. This status indicates that the prospective student has begun to fill out the application but has not yet completed it. Students are not required to complete the entire application at one time.
Action Required	Some action is required by the applicant regarding the application i.e. submit supplemental items or respond to an admission offer.
Submitted	The application has been filled out, and the Application Processing Fee paid. This status does not include your institution having received any of the supplemental information.
Withdrawn	The applicant is no longer interested in submitting an application for consideration and has withdrawn the application.
Completed	The application and all required supplemental information are ready for review. This status is set by the AO/FAO after verifying the application and the uploaded supplemental items.
Applicant Accepted	Offer was accepted by the applicant.
Applicant Declined Offer	Offer was declined by the applicant.
Unsuccessful	Applicant failed to meet the matriculation requirement(s).
Deferred	The applicant's request to defer entry to the next academic year has been approved.
