BURSARIES VS SCHOLARSHIPS

At the University of the West Indies, St. Augustine Campus a **Scholarship** is a non-repayable award, usually based on academic merit and covers a student's educational expenses (tuition, examinations, books, boarding etc.) throughout their university tenure, once a B+ average is maintained. A **Bursary** is a non-repayable, ONE-TIME award based on merit and/or financial need and/or extra-curricular activities and/or other criteria as specified by a donor (refer to page 6).

It should be noted that at the St. Augustine Campus, some donors offer a Scholarship/Bursary. What this means is, a standard payment is made, which can then be renewed once the awardee maintains the academic standard.
