GENERAL INFORMATION

Definitions & Explanations

Definition of a Student

A person is considered to be a UWI student only after the completion of registration and payment of all fees (tuition, compulsory and hall fees) for the semester. A student who writes an examination(s) for a course(s) for which he/she was not registered and paid for will not be credited for such course(s).

Accounts Receivable Hold (AR Hold)

An AR Hold is placed on the accounts of students who have not paid fees and/or submitted all required registration documents. This HOLD prevents access to a number of services including but not limited to, registration, access to grades, examinations and transcripts and can only be removed by the Bursary, Student Accounts & Receivables Section.

GATE Hold (GT Hold)

The GATE policy of the Government of the Republic of Trinidad and Tobago, states that, effective January 2015, "GATE no longer covers students whose cumulative Grade Point Average (GPA) is below 2.0 at the end of the academic year". Such students will be required to pay their own tuition fees.

Subsidies

Students receiving subsidies are required to pay the percentage of their tuition fee as per their contract agreement.

How to Calculate Tuition Fees

Except for self-financing programmes and programmes in the Faculty of Medical Sciences, The University of the West Indies has a credit-based fee structure for undergraduate programmes.

To calculate the cost of tuition for your programme:

1. Check the relevant Faculty Booklet to confirm the number of credits required per year to complete your programme
2. Return to this fee booklet and multiply the number of credits by the fee per credit applicable to the Faculty and based on your nationality.

For Trinidad & Tobago nationals, this is the figure that is used to calculate GATE.

How to Calculate Fees Payable

Once you have calculated your Tuition Fees, add the annual compulsory fees and the Fee Pay Enrolment Fee listed in this Fee Booklet. These are now all the fees payable to the University. Trinidad & Tobago nationals should note that Compulsory Fees are not covered by GATE.

How to Calculate the Total Cost of Pursuing Your Programme

Once you have calculated your Tuition, Compulsory Fees and the Fee Pay Enrolment Fee, add the estimated cost of your personal expenses. This figure will be the estimated cost of your entire programme. Personal expenses will vary from one individual to the next based on your circumstances (e.g., meals, travel and accommodation costs).

Full-time and Part-time

Students registered for 24 or more credits for the academic year are classified as full-time. Those registered for less than 24 credits are classified as part-time.

Tuition Costs Paid by Nationals from UWI Contributing Countries

The University of the West Indies is a regional institution supported by 17 contributing Caribbean countries. The University also recognises 22 other countries which are members of the Association of Caribbean States (ACS). Tuition fees vary according to the nationality of the student (See list of countries in table below).

Tuition fees for nationals of contributing countries **who are sponsored by their governments** have been calculated at 20% of the 2022/2023 economic cost. Contributing governments pay the remaining 80% of the economic cost on behalf of each sponsored student.

Students from **non-campus contributing countries** would be allowed to pay the fee applicable to T&T nationals once a letter of sponsorship for economic cost from their respective governments is provided.

GORTT

Government of the Republic of Trinidad & Tobago.

Self-Financing Programmes

Not all programmes are sponsored by governments or are eligible for GATE funding. Students pursuing **self-financing programmes** would be responsible for paying their own tuition in addition to the other fees listed.

Living Expenses

Living expenses are separate from tuition and compulsory fees. They include accommodation, meals, transportation, personal items such as clothing and toiletries, as well as books and learning materials. As such, this cost varies from person to person and from faculty to faculty. Below are some general estimates that you can use as a guide.

Estimated Living Expenses in TT\$ - All Faculties Except Medical Sciences		
Accommodation	17,000	17,000
Meals	20,000	20,000
Personal Expenses – toiletries, medical supplies, transportation	10,000	10,000
Books/Learning Material	8,000	8,000

Estimated Living Expenses in TT\$ - Medical Sciences		
Accommodation	17,000	17,000
Meals	20,000	20,000
Personal Expenses - toiletries, medical supplies, transportation	10,000	10,000
Books/Learning Material	10,000	10,000
Travelling allowance for students off-Campus	3,000	3,000

Registration & Submission of Documents

Students registering for their programmes and courses follow a seven-step process set out on the Campus registration website at <https://sta.uwi.edu/registration/>.

The Registration process includes activities outlined in this fee booklet related to finances, such as applying for GATE (Trinidad & Tobago citizens only), enrolling in Fee Pay and paying fees. Registration documents are to be uploaded via e-Courier using the link <https://e-courier.ca/aQ?is=Zjk133oH3Y8e>.

If you have questions, please do not hesitate to contact the Bursary's Service Desk at <https://sta.uwi.edu/bursary/service-desk>.

FINANCING YOUR PROGRAMME

Government Assistance for Tuition Expenses (GATE)

(APPLICABLE TO CITIZENS OF TRINIDAD & TOBAGO ONLY)

Accessing GATE

1. All students under the age of 50 years, who are citizens of Trinidad & Tobago, and who are accepted into a recognised **undergraduate** tertiary programme may apply to the Ministry of Education for Government Assistance for Tuition Expenses (GATE) funding to cover tuition fees via the GATE eService.

To access the GATE eService, students are to:

- 1) register at any of the [TTConnect Service Centre locations](#);
 - 2) obtain a GATE e-Service ID;
 - 3) visit the e-GATE website at www.e-gate.gov.tt;
 - 4) use your GATE e-Service ID to log in to the website and complete the e-GATE application form.
2. Students are required to submit a signed copy of their e-GATE application form with their registration documents.
 3. GATE funding is not retroactive. If a student fails to complete a GATE application form upon registration, a claim will NOT be accepted after the semester has ended.
 4. Continuing students who have not maintained a minimum cumulative GPA of 2.0 as at the end of the academic year will NOT be able to access GATE funding for Semester 1 of the following academic year. However, if the cumulative GPA increases to 2.0 or above at the end of Semester 1 of a given academic year, the student can apply for GATE funding for Semester 2 of that same academic year. A copy of the academic transcript is to be submitted to GATE e-Service for approval.

The Means Test

5. Starting in academic year 2017/2018, a means test is used to determine the level of GATE funding which a student can access. With effect from August 2020, all applications for GATE funding include a mandatory means test as follows:

Household Income (TTD)	Student Eligibility
below \$10,000 per month	100% GATE funding for tuition fees*
above \$10,000 per month but less than \$30,000 per month	75% GATE funding for tuition fees
above \$30,000 per month but less than \$75,000 per month	50% GATE funding for tuition fees
above \$75,000 per month	Not eligible for GATE funding

Failure to complete the means test will disqualify the application from being considered for GATE funding.

NOTE:

GATE funding is calculated based on a certain number of credits according to your programme or Faculty. If you are pursuing a programme where the total number of credits required exceeds the number of credits funded by GATE, you would be required to pay the percentage of the annual tuition fee determined by your means test, PLUS the excess amount that is unfunded.

Criteria for Programme Funding

6. Funding under the GATE programme is provided for:
 - one non-terminal programme and one Bachelor's Degree OR
 - one Diploma and one Bachelor's Degree OR
 - one Advanced Diploma and one Bachelor's Degree OR
 - one Associate Degree and one Bachelor's Degree OR
 - one Certificate Programme and one Bachelor's Degree.
7. Students currently enrolled in undergraduate programmes continue to be funded for the normal duration of the programme.

8. Students enrolled at regional campuses of The University of the West Indies (UWI), pursuing programmes that are also offered at the UWI, St. Augustine Campus, are provided the same level of funding as if they were pursuing their programmes at the St. Augustine Campus
9. Students who are already in possession of undergraduate or postgraduate qualifications, regardless of whether or not they were beneficiaries of the GATE Programme, will not be able to access funding for any other programme.
10. Students repeating courses that were covered by GATE at the first sitting will be required to pay to retake those courses.
11. Effective August 2017, only institutions and programmes accredited by the Accreditation Council of Trinidad and Tobago (ACTT) will be funded.
12. Effective August 2016, persons over the age of 50 years old are no longer eligible for GATE funding.
13. Effective August 2016, The GORTT discontinued the funding of new students in the medical programme at St. George's University, Grenada, SGU.

Higher Education Loan Programme (HELP)

A HELP Loan is a low interest student loan available through local commercial banks. Students must apply for the loan annually and must fulfil the following criteria:

- be citizens of Trinidad & Tobago
- have a continued period of residency of 3 years prior to application
- be between 18 and 50 years of age

NOTES:

- HELP loans cover tuition expenses (if not rated 100% through Means Test) and non-tuition expenses.
- Students who do not qualify for GATE can apply for a HELP loan.
- Students who are receiving GATE funding may also apply for a HELP loan to cover non-tuition fees and expenses.
- Students studying in Trinidad & Tobago who meet all the criteria above are eligible to borrow up to a maximum of TT\$35,000 per year.
- Students studying elsewhere in the region who meet all the criteria above are eligible to borrow up to a maximum of TT\$75,000 per year.
- The amount received is based on the Means Test Criteria for HELP loans.

For more information, visit <https://www.moe.gov.tt/help-framework/> or email helploans@moe.gov.tt.

Scholarships & Bursaries (Undergraduate)

There are hundreds of scholarships and bursaries available to both new and continuing students of the St. Augustine Campus each year. **You must be a registered student to apply.**

Some **scholarships** are renewable based on performance, and range in value from TT\$5,000 to TT\$ 30,000 per year. **Bursaries** are held for one academic year and may range in value from TT\$5,000 to TT \$15,000.

We encourage all eligible students, particularly those in tight or already difficult financial circumstances, to visit <https://sta.uwi.edu/scholarships/> and download the latest Scholarships and Bursaries booklet to see if you qualify for any of the opportunities listed.

HOW TO PAY FEES

The FEE PAY Payment Plan

Fee Pay is a payment plan which grants users automatic financial clearance on enrolment. As part of the registration process, **ALL students are required to enrol in Fee Pay**. The plan is accessed through "My Secure Area" on the Student Portal.

Fee Pay recognises two categories of students:

- Sponsored (e.g. GATE, Scholarships)
- Non-Sponsored (self-funded)

Fee Pay combines the payments due for tuition and compulsory fees. These fees are then payable in instalments each semester as follows:

AUTOMATED PAYMENT PLANS: SPONSORED STUDENTS			
	Semester 1*	Semester 2*	Summer Semester*
Instalments	% of Fees Due	% of Fees Due	% of Fees Due
1st	15%	15%	50%
2nd	15%	15%	50%
3rd	70%	70%	–

AUTOMATED PAYMENT PLANS: NON-SPONSORED STUDENTS			
	Semester 1*	Semester 2*	Summer Semester*
Instalments	% of Fees Due	% of Fees Due	% of Fees Due
1st	40%	40%	50%
2nd	30%	30%	50%
3rd	30%	30%	–

*For the deadline dates for each instalment, please see the [Fee Pay Instalment Calendar](#) provided online by the Bursary.

Financial Clearance

Once students enrol in Fee Pay and start making their payments according to the schedule, they will receive automatic **financial clearance**. Financial Clearance is required for students to access myeLearning, write exams, submit online course assessments, and to access facilities at the Health Services Unit, the Alma Jordan Library, and the Halls of Residence.

If payments are not made by the above-mentioned deadline dates, an automatic **Accounts Receivable (AR) Hold** is placed on the student's account.

An AR hold restricts access to myeLearning, writing of exams, viewing examination grades, submission of online course assessments, and access to facilities such as the Health Services Unit, the Alma Jordan Library and the Halls of Residence.

To maintain financial clearance, all required registration documents must be submitted on or before the due date for the 1st instalment.

Payment Methods

Once you have enrolled in Fee Pay, the Campus provides a variety of convenient payment methods:

1. Online Payment via mySecureArea using FEE PAY (**highly recommended**)
2. Online Payment using a credit card OR chip debit cards (international and local cards accepted)
3. Online Inter-bank Transfers/Internet banking (local banks only) *
4. Deposit at any branch of Republic Bank in Trinidad & Tobago using the UWI deposit slip**
5. Wire transfer (for students based outside Trinidad & Tobago)

NOTES

* UWI is a registered Bill Payee with Republic Bank's online banking service. To pay your UWI fees through Republic Bank's online banking, follow these steps:

1. Log in to RBL online banking, go to "Pay"
2. Select "Company/Utility Payment"
3. Choose "Other-Utility to Pay"
4. Under "Education," select "The UWI St. Augustine Students"

For more information and detailed instructions, visit <https://sta.uwi.edu/bursary/payment-options>

** If paying via cheque, cheques must be made payable to **The University of the West Indies**. At the back of the cheque, please print the following in **BLOCK** letters:

STUDENT'S NAME
STUDENT'S IDENTIFICATION NUMBER
NAME OF FACULTY

Compulsory Fees

Fee	Rate
Guild Fee	TT\$ 225

NOTE

* Except for caution money, compulsory fees are **non-refundable**.

Caution Money

Caution money is payable by all students upon entry to The University. It is refunded on completion or withdrawal from a programme. To apply for a refund:

1. Download and fill out the [Caution Money Refund Application Form](#)
2. Apply for Faculty Clearance - Email the completed form to the appropriate address/addresses listed in the table below for the Dean's signature. Some Faculties also require that you apply for Departmental and/or Lab clearance.
3. Apply for Library Clearance – Fill out the [online library clearance form](#). You would normally receive Library Clearance via email within four working days.
4. Submit completed Refund Application form with Dean's signature AND Library Clearance to the [Bursary Service Desk](#).

Recommended Allowances for Scholarship Students

Recommended Upkeep Allowance for Students on Scholarship

The University recommends that scholarship donors include provision for a return fare during the long vacation for students who are not from the campus country. Where a student is required to remain at St. Augustine for academic reasons, a maintenance grant in the sum of TT\$9,000 should be made available to cover a period of 13 weeks.

Recommended Arrival/Termination Allowance

The University recommends that a settling-in grant of TT\$2,000 be paid directly to students by their sponsor to help with expenses for the first month.

Recommended "End of Programme" Allowance

An allowance of TT\$1,000 is also recommended to help students meet additional costs at the end of the academic programme.

Halls of Residence Fees

Students who have been accepted to live on a Hall of Residence are required to pay the Hall Application Fee and Hall Precautionary Fee using the following link:

<https://sta.uwi.edu/dssd/hall-application>

Hall Accommodation fees can be paid either in full at the beginning of each semester or monthly. Payments can be made using any of the following options:

- online via mySecureArea using a valid credit or debit chip card
- at any branch of Republic Bank in Trinidad and Tobago
- by wire transfer (for foreign-based students)
