

# dozens tilde town resume

*Making the world a better, weirder place*

## References

---

- like the xkcd of blogs about recutills* — acdw
- I mean obviously dozens is a committee of 36 hyper intelligent naked mole rats* — kindrobot
- dozens is more fun to interact with than the median human!* — elly
- have been mistaken all this time ... dozens is an epic t-rex skellie, not a committee of 36 hyper intelligent naked mole rats as was previously surmised ... still hyper intelligent and maybe naked depending on your view of skellies, but a t-rex* — mio
- dozens just coming down a street on a bike and all the neighborhood children are like 'mother it's the groff man! please may I have some formatted text to give him?'* — elly

- BBJ Quest I: Social Anxiety Barbarian. Or, Remembrance** 2022—2023  
[https://write.tildeverse.org/dozens/social-anxiety-barbarian-part-1 /](https://write.tildeverse.org/dozens/social-anxiety-barbarian-part-1/)  
A play-by-post forum game where everybody controls the main character. Starts out silly. Eventually explores topics like death, love, memory, and one's legacy.
- First known RPG to be played on BBJ, town's bulletin board software.
  - Eventually compiled into an ebook: <https://tildegit.org/dozens/remembrance>
  - Has an ending

**BBJ Quest II: Forest**<http://tilde.town/~dozens/bbj2.html>

The second play-by-post BBJ game. Loosely a play through of Forest Game.

- Based on Forest Game: <http://tilde.town/~dozens/forest/> <https://dozens.itch.io/forest>
- Incomplete

**Townies & Taverns**<https://tilde.town/~dozens/townies-and-taverns.html>

the town internal mailing list debut ttrpg game

- Aka Bloodmoon Gate
- Incomplete

**Basement Quest**<http://tilde.town/~dozens/quest/>

A freeform email play-by-post game hosted on framalistes.org

- First game to use the Shoes In The Dark system: <https://dozens.itch.io/shoes-in-the-dark>
- Spawned lots of fanfic, recipes, and other media
