To create a platform to discuss and share best practice on different aspects of women in transport.

Build a network of companies in the transport and related sectors committed to contributing to policy discussions and goals of ensuring gender equity.

Seek to make the transportation sector more attractive to women.

* Impact / benefits

5000 character(s) maximum

The companies on our Corporate Partnership Board comprise nearly 3 million employees in total. Sharing and exchanging best practice on different topics such as 'Hiring and Retaining a Gender-diverse Workforce' or 'Building Women's Networks' helps to explore the challenges of achieving better gender parity in the transport sector.

Our next event will be held on International Women's Day, 8th March, 2021
