

KNOWLEDGE CENTRES

Knowledge brokers for robust policies

WHY?

-  Serve the European Commission, Member States, international organisations and other partners.
-  Deliver up-to-date, robust, high-quality scientific facts and evidence tailored to EU policy needs.
-  Bring together and foster interdisciplinary exchange among experts, policymakers and other stakeholders.
-  Make sense of available knowledge and ensure linkages between policy areas.

WHAT?

MANAGING OUR WEALTH OF KNOWLEDGE

Knowledge Centres bring together experts, researchers and policymakers within and outside the Commission to holistically frame policy questions and develop evidence-informed answers.

BIODIVERSITY

Strengthening the science-policy interface on biodiversity and ecosystem services.

ec-biodiversity-kc@ec.europa.eu

FOOD FRAUD AND QUALITY

Protecting the authenticity and quality of food.

jrc-eu-kc-ffq@ec.europa.eu

BIOECONOMY

Informing policy-making for a sustainable bioeconomy with the best available scientific evidence.

ec-bioeconomy-kc@ec.europa.eu

GLOBAL FOOD AND NUTRITION SECURITY

Advancing knowledge towards zero hunger and sustainable food systems.

ec-kcfns@ec.europa.eu

CANCER

Tackling cancer by unleashing the potential of multidisciplinary evidence, data, guidelines and best practices.

ec-kcc@ec.europa.eu

INTERPRETATION

Managing and exchanging knowledge, creating synergies and disseminating best practices.

scic-knowledge-centre@ec.europa.eu

DISASTER RISK MANAGEMENT

Managing risks associated with man-made and natural hazards.

ec-drmkc@ec.europa.eu

MIGRATION AND DEMOGRAPHY

Deepening the understanding of opportunities and challenges related to demographic change, migration and mobility

kcnd@ec.europa.eu

EARTH OBSERVATION

Enabling policy uptake of state-of-the-art knowledge from Earth Observation.

ec-KCEO@ec.europa.eu

TERRITORIAL POLICIES

Enhancing knowledge at the service of European regions and cities.

jrc-kctp@ec.europa.eu
