

Looking for Help?

Our 211 Resource Navigators here on the Western Slope partnered with the Regional Health Connector for Tri-County Health Network to put together this list of food resources for Delta, Montrose, Ouray, San Miguel and Gunnison counties. There are a variety of different kinds of food resources. Here's how to learn the literature:

FB **Food Banks:** locations that offer a limited supply of food and other household or personal hygiene items.

YM **Youth Meals:** meal programs centered around school-age youth who may or may not be enrolled in school.

CM **Congregate Meals:** programs that organize meals or other get-togethers for community residents.

HD **Home Delivery:** programs that prepare and delivery food to older adults, people with disabilities, and others.

OT **Other Food Benefits:** other longer-term food programs with varying requirements.

We have separated each resource by county. Be sure to check your local county for available resources. Keep in mind that hours and locations are subject to change.
