

Informed Consent Form

For patients' consent to publication of material about them in *The World Journal of Men's Health*.

***Type in relevant information's (please state intended use)**

Photograph(s) (Clinical image(s) and/or Histological slide(s))

Case notes (Single case report or Part of a series)

Other identifiable patient data (To be included in clinical trial report)

Other patient data (Specify)

I give my consent for this material to appear in *The World Journal of Men's Health*. I have seen any photographic material to be published.

I understand the following:

- The material will be published without my name attached. Every effort will be made to ensure I cannot be identified, but my complete anonymity cannot be guaranteed.
- The material may be published in the printed edition of *The World Journal of Men's Health*. Its subscribers and readers are not all doctors.
- If published in the printed edition of *The World Journal of Men's Health*, the same material will also be used in the electronic edition of the journal.
- Photographic material may be used on the cover of the journal. The material will not be used out of context, e.g. for advertising or packaging other products.

I also give consent for the material to be used in other publications (including books, journals, CD-ROMs, and online and Internet publications) that may approach *The World Journal of Men's Health* so long as the material is not used out of context. For example, photographs will not be used in advertising or packaging other products.

Name of patient: _____ Signed: _____ Date: _____

Name of patient: _____ Signed: _____ Date: _____
