INCOME-DRIVEN REPAYMENT PLAN

Provides a lower monthly payment and an opportunity for loan forgiveness.

PROGRAM SUMMARY

Income-driven repayment (IDR) plans base monthly student loan payments on the borrower's income and family size. The payment is generally calculated as a percentage of the borrower's income. The percentage is different from plan to plan, and may change as the borrower's income or family size changes.

ELIGIBILITY

Anyone can apply for an Income-Driven Repayment Plan
