

Animal Bioscience Forum 2024

The Animal Bioscience Forum 2024 (ABF 2024) will be held on August 28, 2024 under the theme of Challenges and constraints to the sustainability of Asian poultry farming. We, again, invited outstanding scientists from Korea, China, Japan, Thailand, and Indonesia to discuss an overall perspective of Asia poultry production.

The ABF will be a virtual live at 2:00 p.m. - 05:10 p.m., KST, 2024 for about three hours. If you would like to participate, you must register through the link below. The program is free-of-charge and see the poster for the program in detail.

For inquiries, please contact Yohan Kim, Animal Immunology, Department of Agricultural Biotechnology, Seoul National University (02-880-4813, johnmine4@snu.ac.kr).
