

**Dear Friend:**

**Benefits in Action needs your help!**

Since 2015, we have helped more than 75,000 individuals improve their understanding, access, and utilization of food- and health-related benefits to enhance food security, health, and well-being. What does that mean?

In 2023:

- 12,000 households received food box deliveries
- 3,700 individuals received help with SNAP applications
- 2,500 individuals received Mental Wellness calls
- 2,600 individuals received help with Medicaid applications
- 1,800 individuals received assistance with Medicare

As a non-profit organization, we rely on the generosity and support of kind donors like you to carry out our work at **no charge** to the individuals that we serve.

Our **BOXED 2024** fundraising event features local celebrity chefs in a competition to craft recipes from the food we deliver to households each week. This event will raise TENS OF THOUSANDS of dollars to support the work of Benefits in Action!

**BOXED 2024** will be held **Wednesday, October 9, 2024**, at Social Capitol Events (6543 Wadsworth Blvd, Arvada, CO 80003). We expect over 200 of our supporters will join our guest chefs and leading community members and businesses for an evening of fun and fundraising.

Will you join with other businesses in the metro area to support us with sponsorship? All proceeds benefit the older adults and under-resourced individuals served by Benefits in Action. In exchange for your generous gift, we will promote your organization as a sponsor of our work as well as other special rewards like the opportunity to enter a chef in the competition, exposure to metro residents and more. As Benefits in Action is a 501 c3, you can receive a tax deduction for your sponsorship to a charitable organization.

Thank you for your kind consideration of this request. Please contact us with any questions or for more information.

With gratitude,

*Jane Barnes*
