Independent auditor's report to the unitholders of Managed Portfolio Series Alternatives Fund 1	22

These financial statements cover Managed Portfolio Series Alternatives Fund 1 as an individual entity.

The Responsible Entity of Managed Portfolio Series Alternatives Fund 1 is Westpac Financial Services Limited (ABN 20 000 241 127). The Responsible Entity's registered office is Level 18, 275 Kent Street, Sydney, NSW 2000.

## Directors' report

The directors of Westpac Financial Services Limited, the Responsible Entity of the Managed Portfolio Series Alternatives Fund 1 ("the Fund"), present their report together with the Fund's financial statements for the year ended 30 June 2022.

### Principal activities

The Fund was constituted on 26 April 2018 and was registered as a managed investment scheme by the Australian Securities and Investments Commission on 14 May 2018. The Fund commenced trading activity on 17 December 2021 when the first application occurred.

During the year the Fund invested into the BT Diversified Alternatives Share Fund in accordance with the provisions of the governing documents. Through these investments, the Fund was exposed to a range of liquid alternative strategies designed to diversify equity risk.

The Fund did not have any employees during the year.

There were no significant changes in the nature of the Fund's activities during the year.

### Directors

The following persons held office as directors of Westpac Financial Services Limited during the year or since the end of the year and up to the date of this report:

Vicki Allen  
 Andrew Rutherford  
 Jonathan Sweeney  
 Katherine Vincent (resigned 4 October 2021)

### Review and results of operations

On 27 May 2022 Westpac Financial Services Limited agreed to retire as Responsible Entity of the Fund on appointment of Advance Asset Management Limited as Responsible Entity of the Fund. This change in Responsible Entity is likely to occur prior to 31 December 2022.

There have been no other significant changes to the Fund's operations since the previous financial year. The Fund continued to invest in accordance with the investment objectives and guidelines as set out in the governing documents of the Fund and the provisions of the Fund's Constitution.

The performance of the Fund, as represented by the results of its operations, was as follows:

	<b>Year ended 30 June 2022</b>	Year ended 30 June 2021
Operating profit/(loss) (\$'000)	<u>(512)</u>	<u>-</u>
<i>Distributions</i>		
Distributions paid and payable (\$'000)	<u>-</u>	<u>-</u>
Distributions (cents per unit)	<u>-</u>	<u>-</u>

The key differences, if any, between net assets for unit pricing purposes and net assets as reported in the financial statements prepared under Australian Accounting Standards have been outlined below:

	<b>As at</b>	
	<b>30 June 2022 \$'000</b>	30 June 2021 \$'000
Redemption value of outstanding units	<b>21,903</b>	-
Adjustment for differences in valuation inputs	<u>-</u>	<u>-</u>
Net assets attributable to unitholders	<u><b>21,903</b></u>	<u>-</u>

## **Directors' report (continued)**

### **Significant changes in the state of affairs**

Other than as noted in this report, in the opinion of the directors, no significant changes in the state of affairs of the Fund occurred during the financial year.

### **Matters subsequent to the end of the financial year**

No matter or circumstance has arisen since 30 June 2022 that has significantly affected, or may significantly affect:

- (i) the operations of the Fund in future financial years, or
- (ii) the results of those operations in future financial years, or
- (iii) the state of affairs of the Fund in future financial years.

### **Likely developments and expected results of operations**

The Fund will continue to be managed in accordance with the investment objectives and guidelines as set out in the governing documents of the Fund and in accordance with the provisions of the Fund's Constitution.

The results of the Fund's operations will be affected by a number of factors, including the performance of investment markets in which the Fund invests. Investment performance is not guaranteed and future returns may differ from past returns. As investment conditions change over time, past returns should not be used to predict future returns.

It is likely that Westpac Financial Services Limited will retire as Responsible Entity of the Fund and Advance Asset Management Limited will be appointed as Responsible Entity prior to 31 December 2022. On 26 May 2022, Westpac Banking Corporation announced the sale of Advance Asset Management Limited to Mercer (Australia) Pty Ltd. The sale is expected to be completed by 30 June 2023.

### **Indemnity and insurance of officers**

No insurance premiums are paid for out of the assets of the Fund for insurance cover provided to the officers of the Responsible Entity.

### **Indemnity of auditors**

The auditors of the Fund are in no way indemnified out of the assets of the Fund.

### **Fees paid to and interests held in the Fund by the Responsible Entity or its associates**

There are no fees paid to the Responsible Entity and its associates out of Fund property during the year.

No fees were paid out of Fund property directly to the directors of the Responsible Entity during the year.

The Responsible Entity or its associates held no interests in the Fund at the end of the year.

### **Interests in the Fund**

The movement in units on issue in the Fund during the year is disclosed in note 6 to the financial statements.

The value of the Fund's assets and liabilities is disclosed in the balance sheet and derived using the basis set out in note 2 to the financial statements.

### **Environmental regulation**

The operations of the Fund are not subject to any particular or significant environmental regulations under a Commonwealth, State or Territory law.

### **Rounding of amounts to the nearest thousand dollars**

Amounts in the Directors' report have been rounded to the nearest thousand dollars in accordance with *Australian Securities & Investments Commission ("ASIC") Corporations (Rounding in Financial/Directors' Reports) Instrument 2016/191*, unless otherwise indicated.

## Directors' report (continued)

### Auditor's independence declaration

A copy of the auditor's independence declaration, as required under section 307C of the *Corporations Act 2001*, is set out on page 5.

This report is made in accordance with a resolution of the directors.

## **1 General information**

These financial statements cover Managed Portfolio Series Alternatives Fund 1 ("the Fund") as an individual entity. The Fund was constituted on 26 April 2018 and was registered as a managed investment scheme by the Australian Securities and Investments Commission on 14 May 2018. The Fund commenced trading activity on 17 December 2021 when the first application occurred.

The Responsible Entity of the Fund is Westpac Financial Services Limited ("the Responsible Entity"). The Responsible Entity's registered office is Level 18, 275 Kent Street, Sydney, NSW 2000. The financial statements are presented in Australian currency.

During the year the Fund invested into the BT Diversified Alternatives Share Fund in accordance with the provisions of the governing documents. Through these investments, the Fund was exposed to a range of liquid alternative strategies designed to diversify equity risk.

The financial statements were authorised for issue by the directors of the Responsible Entity on 23 September 2022. The directors of the Responsible Entity have the power to amend and reissue the financial statements.

## **2 Summary of significant accounting policies**

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented, unless otherwise stated.

### **(a) Basis of preparation**

These general purpose financial statements have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Accounting Standards Board and the *Corporations Act 2001* in Australia. The Fund is a for-profit unit trust for the purpose of preparing the financial statements.

The financial statements are prepared on the basis of fair value measurement of assets and liabilities except where otherwise stated.

The balance sheet is presented on a liquidity basis. Assets and liabilities are presented in decreasing order of liquidity and do not distinguish between current and non-current. All balances are expected to be recovered or settled within 12 months, except for financial assets at fair value through profit or loss.

The Fund manages financial assets at fair value through profit or loss based on the economic circumstances at any given point in time, as well as to meet any liquidity requirements. As such it is expected that a portion of the portfolio will be realised within 12 months, however an estimate cannot be reliably determined at the end of the reporting period.

In the case of net assets attributable to unitholders, the units are redeemed on demand at the unitholder's option. However holders of these instruments typically retain them for the medium to long term. As such the amount expected to be settled within 12 months cannot be reliably determined at the end of the reporting period.

#### *(i) Compliance with International Financial Reporting Standards*

The financial statements also comply with International Financial Reporting Standards as issued by the International Accounting Standards Board.

#### *(ii) Comparatives*

Certain comparative figures have been restated to conform with the financial statement presentation adopted for the current year.

#### *(iii) New and amended standards adopted by the Fund*

There are no standards, interpretations or amendments to existing standards that are effective for the first time for the financial year beginning 1 July 2021 that have a material impact on the amounts recognised in the financial statements in the prior, current or future periods.

### **(b) Financial instruments**

#### *(i) Recognition/derecognition*

The Fund recognises financial instruments ("investments") on the date it becomes party to the contractual agreement and recognises changes in fair value of the financial instruments from this date.

Financial assets and liabilities are derecognised when the contractual right to cash flows from the investments has expired or has been transferred, and the Fund has transferred substantially all of the risks and rewards of ownership.

## **2 Summary of significant accounting policies (continued)**

### **(b) Financial instruments (continued)**

#### *(ii) Classification*

The Fund classifies its financial instruments based on its business model for managing its investments and their contractual cash flow characteristics. The Fund's investments are managed and performance is evaluated on a fair value basis in accordance with the Fund's documented investment strategy. The Fund's policy is for the Responsible Entity to evaluate the information about the investments on a fair value basis together with other related financial information.

For unlisted unit trusts, the contractual cash flows are not solely principal and interest. Consequently, these investments are measured at fair value through profit or loss.

#### *(iii) Measurement*

At initial recognition, a financial asset or liability is measured at fair value. Transaction costs associated with financial assets and liabilities carried at fair value through profit or loss are expensed in the statement of comprehensive income.

Subsequent to initial recognition, all financial assets and liabilities at fair value through profit or loss are measured at fair value. Gains and losses arising from changes in the fair value of the financial assets or financial liabilities at fair value through profit or loss are presented in the statement of comprehensive income within net gains/(losses) on financial instruments held at fair value through profit or loss in the period in which they arise.

Refer to note 4 for further details on how the fair values of financial instruments are determined.

### **(c) Net assets attributable to unitholders**

Units are redeemable at the unitholder's option, however applications and redemptions may be suspended by the Responsible Entity if it is in the best interests of the unitholders. The units are classified as equity as the Fund has no contractual obligation to pay distributions.

A unitholder can redeem units at any time for cash based on the redemption price, which is equal to a proportionate share of the Fund's net asset value.

Units are classified as equity when they satisfy the following criteria under AASB 132 *Financial Instruments: Presentation*:

- the puttable financial instrument entitles the holder to a pro-rata share of net assets in the event of the Fund's liquidation,
- the puttable financial instrument is in the class of instruments that is subordinate to all other classes of instruments and class features are identical,
- the puttable financial instrument does not include any contractual obligations to deliver cash or another financial asset, or to exchange financial instruments with another entity under potentially unfavourable conditions to the Fund, and it is not a contract settled in the Fund's own equity instruments, and
- the total expected cash flows attributed to the puttable financial instrument over its life are based substantially on the profit or loss of the Fund.

### **(d) Cash and cash equivalents**

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash at bank, deposits held at call with financial institutions and investments in cash management trusts where they hold short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Payments and receipts relating to the purchase and sale of financial assets and liabilities are classified as cash flows from operating activities, as movements in the fair value of these securities represent the Fund's main income generating activity.

### **(e) Investment income**

Interest income is recognised in the statement of comprehensive income for all financial instruments that are not held at fair value through profit or loss as it accrues.

Trust distributions (including distributions from cash management trusts) are recognised on an entitlements basis.

## **2 Summary of significant accounting policies (continued)**

### **(f) Expenses**

All expenses, including Responsible Entity's fees, are recognised in the statement of comprehensive income on an accruals basis.

### **(g) Income tax**

Under current legislation, the Fund is not subject to income tax provided it attributes or distributes (as appropriate) the entirety of its taxable income to its unitholders.

Financial instruments held at fair value may include unrealised capital gains. Should such a gain be realised, that portion of the gain that is subject to capital gains tax will be included in the Fund's taxable income for distribution/attribution, so that the Fund is not subject to capital gains tax.

Realised capital losses are not distributed to unitholders but are retained in the Fund to be offset against any realised capital gains. If realised capital gains exceed realised capital losses, the excess is distributed or attributed to unitholders.

To the extent allowable by taxation legislation, the benefits of imputation credits and foreign tax paid are passed on to unitholders.

### **(h) Goods and Services Tax ("GST")**

The GST incurred on the costs of various services provided to the Fund, such as management fees, has been passed onto the Fund. The Fund qualifies for RITC, hence fees and other expenses have been recognised in the statement of comprehensive income net of the amount of GST recoverable from the Australian Taxation Office ("ATO").

### **(i) Use of estimates**

Management makes estimates and assumptions that affect the reported amounts of assets and liabilities within the next financial year. Estimates are continually evaluated based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

For the majority of the financial instruments held, quoted market prices are readily available.

For certain other financial instruments, including unsettled sales and purchases and payables, the carrying amounts approximate fair value due to the short-term nature of these financial instruments.

Refer to note 4 for further details on how fair value is calculated.

### **(j) New accounting standards and interpretations**

A number of new accounting standards and interpretations have been published that are not mandatory for the 30 June 2022 reporting period. None of these are expected to have a material effect on the financial statements of the Fund.

### **(k) Rounding of amounts**

The Fund is an entity of the kind referred to in *Australian Securities & Investments Commission ("ASIC") Corporations (Rounding in Financial/Directors' Reports) Instrument 2016/191*, relating to the 'rounding off' amounts in the financial statements. Amounts in the financial statements have been rounded off to the nearest thousand dollars, unless otherwise indicated.

### **3 Financial risk management**

The Fund's activities expose it to a variety of financial risks: market risk (including price risk, foreign exchange risk and interest rate risk), credit risk and liquidity risk.

The Fund's overall risk management program focuses on ensuring compliance with its governing documents and seeks to maximise the returns derived for the level of risk to which the Fund is exposed. Financial risk management is carried out by the investment manager in accordance with board approved policies.

The Fund uses different methods to measure different types of risk to which it is exposed. These methods include sensitivity analysis in the case of interest rate, foreign exchange and price risks and ratings analysis for credit risk.

The investment manager mitigates these financial risks through diversification and a careful selection of securities and other financial instruments within specified limits.

The Fund's performance exceptions to its benchmark are reported to the board on a regular basis.

#### **(a) Market risk**

##### *(i) Price risk*

Price risk is the risk that the fair value of a financial instrument will fluctuate because of changes in market prices.

Price risk arises on investments held for which prices in the future are uncertain. These are classified in the balance sheet as at fair value through profit or loss. All security investments present a risk of loss of capital.

The table presented in note 3(b) summarises sensitivity analysis to price risk.

##### *(ii) Foreign exchange risk*

Foreign exchange risk arises as the value of monetary securities denominated in other currencies fluctuates due to changes in exchange rates. The foreign exchange risk relating to non-monetary assets and liabilities is a component of price risk and not foreign exchange risk.

The Fund does not hold any monetary assets denominated in currencies other than the Australian dollar as at 30 June 2022.

Exceptions to compliance are reported to the board on a regular basis.

##### *(iii) Interest rate risk*

Interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Changes in interest rates can have a direct or indirect impact on the investment value and/or returns of all types of assets.

The Fund does not have any significant direct exposure to interest rate risk.

#### **(b) Summarised sensitivity analysis**

The following table summarises the sensitivity of the operating profit and net assets attributable to unitholders to price risk. The analysis is based on reasonably possible movements in the risk variables applied to the Fund's net assets. The reasonably possible movements in the risk variables have been determined based on management estimates, having regard to a number of factors including historical levels of changes in market indices, security prices and/or benchmark returns, interest rates and foreign exchange rates. However actual movements in the risk variables may be greater or less than anticipated due to a number of factors. As a result, historic variations in risk variables are not a definitive indicator of future variations in the risk variables.

### 3 Financial risk management (continued)

#### (b) Summarised sensitivity analysis (continued)

The reasonably possible movements in the risk variables are based on long term averages consistent with the investing profile of the Fund.

	<b>Impact on operating profit/(loss)/ Net assets attributable to unitholders</b>	
	<b>Price risk</b>	
	<b>-10%</b>	<b>+10%</b>
	<b>\$'000</b>	<b>\$'000</b>
<b>As at</b>		
<b>30 June 2022</b>	<b>(2,149)</b>	<b>2,149</b>

In determining the impact of an increase/(decrease) in net assets attributable to unitholders arising from market risk, the Responsible Entity has considered prior period and expected future movements of the portfolio based on market information.

#### (c) Credit risk

Credit risk is the risk that a counterparty will be unable to pay amounts in full when they fall due, causing a financial loss to the Fund.

Credit risk primarily arises from cash and cash equivalents, deposits with banks and other financial institutions and amounts due from brokers.

The Fund determines credit risk and measures expected credit losses for financial assets measured at amortised cost using probability of default, exposure at default and loss given default. Management consider both historical analysis and forward looking information in determining any expected credit loss. Management considers the probability of default to be close to zero as these financial assets have a low risk of default and the counterparties have a strong capacity to meet their contractual obligations in the near term. As a result, no loss allowance has been recognised based on 12-month expected credit losses as any such impairment would be insignificant to the Fund.

Investments in unlisted unit trusts are exposed to credit risk.

Concentrations of direct credit risk are minimised primarily by:

- ensuring counterparties, together with the respective credit limits, are approved, and
- ensuring that transactions are undertaken with a number of counterparties.

Exceptions to compliance are reported to the board on a regular basis.

#### (d) Liquidity risk

Liquidity risk is the risk that sufficient cash resources may not be able to be generated to settle obligations in full as they fall due or can only do so on terms that are materially disadvantageous.

The Fund is exposed to daily cash redemptions of redeemable units. The liquidity risk associated with the need to meet redemption requests is mitigated by maintaining adequate liquidity to fulfil usual redemption volumes.

The risk management guidelines adopted are designed to minimise liquidity risk through:

- ensuring that there is no significant exposure to illiquid or thinly traded financial instruments, and
- applying limits to ensure there is no concentration of liquidity risk to a particular counterparty.

Exceptions to the above are reported to the board on a regular basis.

##### (i) Maturities of non-derivative financial liabilities

The non-derivative financial liabilities of the Fund comprise of payables. These have no contractual maturities but are typically settled within 30 days.

## 4 Fair value measurement

AASB 13 *Fair Value Measurement* requires disclosure of fair value measurements by level of the following fair value hierarchy:

- quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1),
- inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly (level 2),  
or
- inputs for the asset or liability that are not based on observable market data (unobservable inputs) (level 3).

Investments are valued in accordance with the accounting policies set out in note 2 to the financial statements.

### (a) Fair value in an inactive or unquoted market (level 2 and level 3)

The fair value of financial assets and liabilities that are not traded in an active market is determined by using quoted market prices, dealer quotes and/or valuation techniques.

Unlisted unit trusts are valued at the redemption value per unit as reported by the managers of such funds.

#### (i) Recognised fair value measurements

The following table presents the financial assets and liabilities measured and recognised at fair value by fair value hierarchy levels:

As at 30 June 2022	Level 1 \$'000	Level 2 \$'000	Level 3 \$'000	Total \$'000
<b>Financial assets</b>				
Financial assets held at fair value through profit or loss:				
Unlisted unit trusts	-	21,489	-	21,489
<b>Total</b>	-	21,489	-	21,489

There were no financial liabilities measured and recognised at fair value as at 30 June 2022.

There were no financial assets or financial liabilities measured and recognised at fair value as at 30 June 2021.

Transfers into and transfers out of the fair value hierarchy levels are recognised at the end of each reporting period.

#### (ii) Transfers between levels

There were no transfers between levels as at 30 June 2022.

#### (iii) Valuation processes

Management undertakes regular portfolio reviews to identify securities that may not be actively traded or have stale security pricing and could be regarded as level 2 or level 3 securities. Further analysis, should it be required, is undertaken to determine the accounting significance of the identified securities. In the event that the security is not actively traded an assessment is performed by management to determine the appropriate valuation price to use that is most representative of fair value.

### (b) Fair values of non-financial instruments

Due to their short-term nature, the carrying value of receivables and payables are assumed to approximate their fair values.

## 5 Remuneration of auditors

	Year ended	
	30 June 2022	30 June 2021
	\$	\$
<i>Audit and other assurance services</i>		
Audit of financial statements	1,230	1,182

\* Other services include compliance plan audit.

Audit fees were paid by the Responsible Entity for the years ended 30 June 2022 and 30 June 2021.

## 6 Net assets attributable to unitholders

Movements in the number of units and net assets attributable to unitholders during the year were as follows:

	30 June 2022	30 June 2021	30 June 2022	30 June 2021
	No. '000	No. '000	\$'000	\$'000

Closing balance	<u>22,708</u>	<u>-</u>	<u>21,903</u>	<u>-</u>

As stipulated within the Fund's Constitution, each unit represents a right to an individual share in the Fund and does not extend to a right to the underlying assets of the Fund. There are no separate classes of units and each unit has the same rights attached to it as all other units of the Fund.

### (a) Capital risk management

Management manages the Fund's net assets attributable to unitholders as capital. The amount of net assets attributable to unitholders can change significantly on a daily basis as the Fund is subject to daily applications and redemptions at the discretion of unitholders.

Management monitors the level of daily applications and redemptions relative to the liquid assets in the Fund. In the event of a significant redemption, as permitted under the governing documents, management may decide to pay a special distribution and/or may delay payment of the redemption amount.

Apart from those details disclosed in this note, no key management personnel have entered into a material contract with the Fund during the financial year and there were no material contracts involving key management personnel's interests existing at the end of the reporting period.

## 10 Structured entities

A structured entity is an entity in which voting or similar rights are not the dominant factor in deciding control. Structured entities are generally created to achieve a narrow and well defined objective with restrictions around their ongoing activities. Depending on the Fund's power over the activities of the entity and its exposure to and ability to influence its own returns, it may control the entity. However the Fund applies the Investment Entity Exemption available under AASB 10 *Consolidated Financial Statements* therefore does not consolidate its controlled entities. In other cases it may have exposure to such an entity but not control it.

An interest in a structured entity is any form of contractual or non-contractual involvement which creates variability in returns arising from the performance of the entity for the Fund. Such interests include holdings of units in unlisted trusts. The nature and extent of the Fund's interests in structured entities are summarised in note 8. Income earned and realised and unrealised gains/(losses) from structured entity investments are disclosed within the statement of comprehensive income.

The Fund has exposures to unconsolidated structured entities through its investment activities. The Fund's maximum exposure to loss is restricted to the carrying value of the asset.

The Fund's overall risk management program focuses on ensuring compliance with its governing documents and seeks to maximise the returns derived for the level of risk to which the Fund is exposed. The risks associated with the investments are referred to in note 3.

During the year the Fund did not provide financial support to unconsolidated structured entities and has no intention of providing financial or other support.

The Fund's investment strategy entails investments in other funds on a regular basis. The Fund intends to continue investing in other funds.

As at 30 June 2022, there were no capital commitment obligations other than what is in unsettled sales or unsettled purchases in the balance sheet (2021: \$Nil).

## 11 Reconciliation of operating profit/(loss) to net cash inflow/(outflow) from operating activities

	Year ended	
	30 June	30 June
	2022	2021
	\$'000	\$'000
<b>(a) Reconciliation of operating profit/(loss) to net cash inflow/(outflow) from operating activities</b>

Net change in payables	<u>16</u>	<u>-</u>
<b>Net cash inflow/(outflow) from operating activities</b>	<u>(21,986)</u>	<u>-</u>

## 12 Events occurring after the reporting period

No significant events have occurred since the end of the reporting period which would impact on the financial position of the Fund disclosed in the balance sheet as at 30 June 2022 or on the results and cash flows of the Fund for the year ended on that date.

## 13 Contingent assets and liabilities and commitments

There are no outstanding contingent assets, liabilities or commitments as at 30 June 2022.

## Directors' declaration

In the opinion of the directors of the Responsible Entity:

- (a) the financial statements and notes set out on pages 6 to 20 are in accordance with the *Corporations Act 2001*, including:
  - (i) complying with Accounting Standards, the *Corporations Regulations 2001* and other mandatory professional reporting requirements, and
  - (ii) giving a true and fair view of the Fund's financial position as at 30 June 2022 and of its performance for the financial year ended on that date,
- (b) there are reasonable grounds to believe that the Fund will be able to pay its debts as and when they become due and payable, and
- (c) note 2(a) confirms that the financial statements comply with International Financial Reporting Standards as issued by the International Accounting Standards Board.

This declaration is made in accordance with a resolution of the directors.

---

### Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial report* section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### *Independence*

We are independent of the Fund in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

### **Responsibilities of the directors of the Responsible Entity for the financial report**

The directors of the Responsible Entity are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors of the Responsible Entity determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors of the Responsible Entity are responsible for assessing the ability of the Fund to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors of the Responsible Entity either intends to liquidate the Fund or to cease operations, or have no realistic alternative but to do so.

---

### **Auditor's responsibilities for the audit of the financial report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: [http://www.auasb.gov.au/auditors\\_responsibilities/ar4.pdf](http://www.auasb.gov.au/auditors_responsibilities/ar4.pdf). This description forms part of our auditor's report.
