

## biographical information

**Nathan Cope**  
**General Manager, Finance & Planning**  
**Chevron New Energies**

In 2006, Nathan started as an intern at Chevron and joined full-time in 2007 on the Finance MBA Development Program. Prior to Chevron, he worked for Accenture as a manager supporting financial services, technology and resources clients.

Before joining the Chevron New Energies organization, he held the role of Finance GM of the Upstream Asia South Business Unit.

Nathan's background includes multiple finance roles within the Upstream segment and Corporate Treasury and Controllers. He also had cross-functional experience in roles supporting CTV, Accelerate Downstream and Refinery Planning.

He holds BS (Duke) and MS (Rice) degrees in Civil/Environmental Engineering and an MBA (Berkeley).
