

Commander Timothy W. Dolan

Executive Officer

Coast Guard Base Honolulu

Commander Dolan assumed the duties as Executive Officer for Base Honolulu in July of 2022. His previous assignment was at Base Portsmouth as the Facilities Engineering Department Head. In this assignment, CDR Dolan led a team of 38 civilian and military members responsible for facilities maintenance, environmental compliance, and the safety program at one of the Coast Guard's largest Bases.

A native of Oahu, Hawaii, CDR Dolan graduated from the U.S. Coast Guard Academy in 2007 with a Bachelor of Science degree in Mechanical Engineering. His first assignment was as a Deck Watch Officer on USCGC KUKUI (WLB-203), homeported in Honolulu, HI. In 2009, he transferred to USCGC RUSH (WHEC-723), homeported in Honolulu, HI as the Weapons Officer. In 2011, he transferred to USCGC CHINCOTEAGUE (WPB-1320), homeported in San Juan, Puerto Rico, as the Commanding Officer. In 2013, he transferred to the University of Illinois to earn a Master of Science degree in Civil Engineering. In December 2014, he reported to Civil Engineering Unit Cleveland where he first served as the facility asset manager for mid-Atlantic Coast Guard units and later served as product line branch chief for all Coast Guard waterfront, shore operation and aviation facility assets.

CDR Dolan holds the following licenses and credentials: Professional Engineer (PE), Project Management Professional (PMP), Certified Facility Manager (CFM), Leadership in Energy and Environmental Design Associate Professional (LEED AP), DHS Program Manager Level 1, Master 1600 GT Vessels upon Open Oceans, and 3rd Mate Unlimited GT Vessels upon Open Oceans.

CDR Dolan's personal awards include the Coast Guard Commendation Medal (5), the Coast Guard Achievement Medal, and the Commandants Letter of Commendation.
