

Pursuing happiness

Happiness is not just a fleeting emotion but a long-term state of being that can be improved over time.

Register for this <u>live webinar</u> on Wednesday, July 12 at 1:00 pm CT to:

- Explore definitions of happiness and the role of positive psychology in enhancing happiness.
- Consider barriers to happiness in daily life and how to remove them.
- Understand and adopt strategies to improve your wellbeing.

*All live webinars are recorded and posted on your member website.
