

2020 FedView Survey

DoD OIG Survey Snapshot

I am proud to share the results of the DoD OIG 2020 Federal Employee Viewpoint Survey (FEVS). Each year, the Office of Personnel Management (OPM) asks employees throughout the Federal Government to provide their views about their organization. In 2020, OPM revised the survey to gather information on how agencies responded to the coronavirus disease-2019 (COVID-19) pandemic. Also, for the first time, our temporary appointment Lead Inspector General employees who had been with the DoD OIG since the start of the fiscal year had the opportunity to participate in a survey that mirrored the FEVS.

Overall, the DoD OIG's FEVS results improved again, for the fifth consecutive year, and exceeded the Government-wide percentages in nearly every category. These positive results are a reflection of the DoD OIG's total workforce effort to improve our organization. I look forward to our continued progress as together we strive to be an employer of choice in the IG community.
