¹ Statutory staff: officials, temporary agents, contract agents.

Interims, Seconded National Experts (SNE), trainees, contractors and individuals awarded previous ISA contracts with EFSA do not fall within the category of statutory staff.

² Example: EUR 145,310 (net annual salary in 2022) minus EUR 34,086 (net pension amount for the calendar year in which the new ISA contract is to be signed) = EUR 111,224 is the maximum value of all ISA contracts which can be signed in that year.

³ Former EFSA (statutory staff) should not be awarded ISA contracts if they are in receipt of unemployment allowance from the Union Budget.
