**INSTRUCTIONS FOR COMPLETING DD FORM 2789,  
 WAIVER/REMISSION OF INDEBTEDNESS APPLICATION**

Please note: If you do not agree with the validity of your debt, a waiver request cannot be processed. You must first agree that the debt is valid. This is not admission to or agreement that you should be responsible for the repayment of the debt. It merely means that you agree that you received an erroneous payment or an overpayment. Once you agree with the validity of the debt you may file for waiver at that time. Please visit [www.dfas.mil/waiversandremissions](http://www.dfas.mil/waiversandremissions) for guidance with completing and submitting your waiver.

**To complete the DD Form 2789, please follow instructions below. Please note that an incomplete DD Form 2789 will delay the processing of the Remission/Waiver consideration. Carefully read and complete all information as requested, and be sure to include any required documentation with your submission. If DFAS does not receive a valid DD Form 2789, the indebtedness will continue to be collected. For sections 10 through 16, if you need additional space for this information you can attach a typed and a signed document. All fields must be filled out. If some fields do not apply to you, please put Not Applicable (N/A).**
