

Department of Defense INSTRUCTION

NUMBER 3003.01

September 26, 2011

Incorporating Change 1, May 12, 2017

USD(P)

SUBJECT: DoD Support to Civil Search and Rescue (SAR)

References: See Enclosure 1

1. PURPOSE. This Instruction:

a. Reissues DoD Directive (DoDD) 3003.01 (Reference (a)) as a DoD Instruction in accordance with the authority in DoDD 5111.1 and Deputy Secretary of Defense Memorandum (References (b) and (c)).

b. Establishes policies and assigns responsibilities for DoD civil SAR activities in accordance with References (d) through (i), and is consistent with Reference (j).

c. Incorporates and cancels Secretary of Defense Memorandum (Reference (k)) and DoD Directive-Type Memorandum 08-021 (Reference (l)).

2. APPLICABILITY. This Instruction applies to OSD, the Military Departments, the Office of the Chairman of the Joint Chiefs of Staff and the Joint Staff, the Combatant Commands, the Office of the Inspector General of the Department of Defense, the Defense Agencies, the DoD Field Activities, and all other organizational entities within the DoD (hereinafter referred to collectively as the "DoD Components").

3. DEFINITIONS. See Glossary.

4. POLICY. It is DoD policy that:

a. DoD shall support domestic civil authorities providing civil SAR services to the fullest extent practicable on a non-interference basis with primary military duties according to applicable national directives, plans, guidelines, and agreements, pursuant to the authority in and in accordance with the provisions of References (f) and (h), if applicable.

b. In the event of an incident of significant magnitude or associated with a Presidential declaration of a disaster or emergency, DoD shall respond to requests for assistance from the Secretary of Homeland Security or other designated Federal or State officials, consistent with Reference (j) and (e) and in accordance with section 5121 et seq. of title 42, United States Code (U.S.C.) (Reference (m)).

c. All SAR operations conducted in support of domestic civil authorities prior to a Presidential declaration of a disaster or emergency shall respond to requests for assistance from the Secretary of Homeland Security or other designated Federal or State officials consistent with Reference (j) and in accordance with section 1535 of title 31, U.S.C. (Reference (n)).

d. DoD, consistent with its capabilities and authority under applicable law and regulations, shall:

(1) Support foreign civil authorities performing civil SAR operations in territory and international waters beyond recognized U.S. aeronautical and maritime search and rescue regions (SRRs) consistent with U.S. obligations under international agreements.

(2) Provide assistance to persons, ships, and aircraft in distress in accordance with U.S. and international law and applicable regulations (e.g., article 12 of the United Nations Convention on the High Seas (Reference (o))).

(3) Follow the civil SAR standards and procedures in References (e) through (j) to the maximum extent possible when supporting civil SAR activities.

e. DoD emergency beacons that are search and rescue satellite-aided tracking (SARSAT) system compliant or type approved will comply with U.S. national guidance.

(1) All DoD 406 megahertz (MHz) SARSAT emergency beacons will transmit a unique digital identifier. All 406 MHz beacons shall be configured to include standardized DoD coding and operated and maintained to ensure effective use.

(2) A DoD SARSAT beacon registration database is required for DoD use of 406 MHz beacons; this database shall be developed, maintained, and kept current as set forth in paragraph 6.c. of Enclosure 2 of this Instruction.

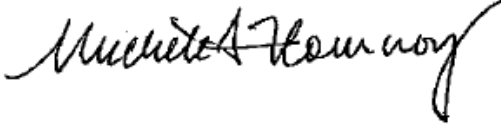

f. DoD recognizes that State and local authorities are responsible for land based SAR and have a person to be SAR coordinator within their respective jurisdictions. State SAR coordinators are integral partners of the national SAR system and are critical to providing effective civil SAR services (Reference (f)).

5. RESPONSIBILITIES. See Enclosure 2.

6. RELEASABILITY. **Cleared for public release.** This Instruction is available on the DoD Issuances Website at <http://www.dtic.mil/whs/directives>.

7. SUMMARY OF CHANGE 1. The changes to this issuance are administrative and update organizational titles and references for accuracy.

8. EFFECTIVE DATE. This Instruction is effective September 26, 2011.

RESPONSIBILITIES

1. UNDER SECRETARY OF DEFENSE FOR POLICY (USD(P)). The USD(P) shall serve as the principal civilian advisor to the Secretary of Defense on civil SAR.

2. ASSISTANT SECRETARY OF DEFENSE FOR HOMELAND DEFENSE AND GLOBAL SECURITY (ASD(HD&GS)). The ASD(HD&GS), under the authority, direction, and control of the USD(P), shall:

a. Provide advice to and coordinate with the USD(P) on domestic civil SAR as appropriate, including as it constitutes Defense Support of Civil Authorities (DSCA).

b. Provide recommendations to the Secretary of Defense and the USD(P) regarding DSCA as set forth in section 4 of DoDD 5111.13 (Reference (p)), including domestic civil SAR.

3. DEPUTY ASSISTANT SECRETARY OF DEFENSE FOR PRISONER OF WAR/MISSING PERSONNEL AFFAIRS (DASD(POW/MPA)). The DASD(POW/MPA), under the authority, direction, and control of the USD(P), shall:

a. Provide policy oversight for DoD support to civil SAR.

b. Represent the DoD on the National Search and Rescue Committee (NSARC) and at relevant interagency and international forums on civil SAR matters.

c. Chair the DoD Civil SAR Working Group for coordinating NSARC initiatives that affect the DoD.

d. Oversee the negotiation and coordination of international civil SAR agreements involving the DoD Components; coordinate with the Chairman of the Joint Chiefs of Staff, the General Counsel of the Department of Defense (GC, DoD), the Department of State Assistant Legal Adviser for Treaty Affairs, and the Commandant, United States Coast Guard (USCG), on such agreements.

e. Oversee Combatant Command security cooperation strategies and plans in coordination with the Chairman of the Joint Chiefs of Staff to ensure consistency in civil SAR activities as they pertain to Combatant Command regional objectives and priorities, and to ensure consistency with DoD security cooperation guidance and relevant U.S. obligations and policies in accordance with subparagraph 4.d.(1) in the policy section of this Instruction.

f. Coordinate the development of DoD civil SAR guidance or other measures to implement this Instruction with the Chairman of the Joint Chiefs of Staff and the Heads of the OSD and DoD Components with civil SAR responsibilities, as appropriate.

4. CHIEF INFORMATION OFFICER (DoD CIO). The DoD CIO shall:

a. Designate a representative to the NSARC Research and Development (R&D) Working Group to facilitate close coordination with the DASD(POW/MPA) on NSARC R&D Working Group initiatives.

b. Provide technical advice and other assistance to the DASD(POW/MPA), as appropriate, to assist the Military Departments in supporting NSARC R&D Working Group initiatives within the responsibilities of the DoD, and to improve DoD support to civil SAR in coordination with the ASD(HD&GS).

c. When possible, support civil agency efforts to improve the capabilities of communications and information management systems, and of personnel location and identification technologies, for civil SAR.

5. GC, DoD. The GC, DoD, shall oversee the legal review of all international civil SAR agreements involving the Secretary of Defense or the DoD Components.

6. SECRETARY OF THE AIR FORCE. The Secretary of the Air Force shall:

a. Designate a civil SAR expert to serve, in close coordination with the DASD(POW/MPA), as a member of the Joint Search and Rescue Working Group that the International Civil Aviation Organization and the International Maritime Organization sponsor jointly.

b. Continue to provide appropriate instructor staff for the National Search and Rescue School for resident and field training in the areas of aeronautical and land SAR.

c. Develop, maintain, and sustain 24-hour operation of Joint SARSAT Electronic Tracking System, a component of the Personnel Recovery Mission Software, ensuring its continuous availability to users and responder organizations, including maintaining the currency of the system's underlying software and web-enabled features and adequate system back-up and mirroring.

d. Provide funding, manpower, and personnel services to operate fully functional Rescue Coordination Centers (RCCs) to promote efficient organization of SAR services, and to coordinate the conduct of civil SAR operations within the inland U.S. SRRs corresponding to the 48 contiguous States and Alaska, in accordance with the guidance in References (f) through (j), and consistent with the guidance in Reference (e).

7. CHAIRMAN OF THE JOINT CHIEFS OF STAFF. The Chairman of the Joint Chiefs of Staff shall:

- a. Provide a representative as required for the DoD Civil SAR Working Group.
- b. In coordination with DASD(POW/MPA), oversee Combatant Command security cooperation strategies and plans in accordance with paragraph 3.e. of this enclosure.

8. COMMANDERS OF THE GEOGRAPHIC COMBATANT COMMANDS. The Commanders of the Geographic Combatant Commands, through the Chairman of the Joint Chiefs of Staff, as appropriate:

a. Shall, consistent with legal authority and on a non-interference basis with their primary military duties in accordance with subparagraph 4.d.(1) in the policy section of this Instruction:

(1) Be knowledgeable of civil SAR responsibilities assigned to other U.S. and foreign civil and military authorities to ensure that Combatant Command civil SAR agreements support, and do not supplant, those authorities.

(2) Perform civil SAR functions such as training, exercises, and liaison with other nations, and coordinate activities with the Chief, Office of SAR, USCG Headquarters, to ensure:

(a) Consistency with U.S. obligations under international agreements to which the United States is a party.

(b) Compliance with Reference (h) and other international guidance relevant to implementing such agreements.

(c) Compatibility with USCG international civil SAR objectives and activities.

(3) Review security cooperation strategies and plans to ensure consistency in civil SAR activities as they pertain to their respective Command regional objectives and priorities, and to ensure consistency with DoD security cooperation guidance and relevant U.S. obligations and policies.

(4) Ensure that security cooperation plans properly account for any existing or planned civil SAR agreements, and for relevant results of past international security cooperation activities (e.g., SAR training or exercises).

(5) Provide copies of any concluded international agreements to the GC, DoD, and the Department of State Assistant Legal Advisor for Treaty Affairs.

(6) Conduct civil SAR operations and effect international security cooperation activities that pertain to civil SAR consistent with the scope of their respective functional or geographic responsibilities, expertise, capabilities, and legal authority.

b. May, consistent with applicable authorities, including DoDD 5530.3 (Reference (q)), negotiate and conclude, as appropriate, civil SAR agreements as a security cooperation strategy and planning tool within their respective geographic areas of responsibility (AORs) when such agreements:

(1) Provide a mutual humanitarian benefit.

(2) Are fully consistent with the civil SAR functional responsibilities of DoD in Reference (g), which varies geographically, and with the responsibilities of any other party to the agreement.

(3) Are fully consistent with relevant provisions of References (e) through (j) and are coordinated with the Chairman of the Joint Chiefs of Staff; the GC, DoD; the DASD(POW/MPA); the respective Chief of Mission; and the Chief, Office of SAR, USCG Headquarters.

(4) Are fully consistent with any other treaties or agreements to which the U.S. Government or its agencies are party, including those that pertain to civil SAR.

c. Shall not accept the role of SAR coordinator or director of an RCC for civil SAR operations in SRRs for which other nations are responsible. However, they may support civil SAR operations in such areas in any of these situations:

(1) A recognized civil SAR authority requests assistance.

(2) U.S. citizens are involved outside of the U.S. and its territories.

(3) A DoD command or organization becomes aware of a distress situation to which no other suitable facilities are responding, or in which other available civil SAR services appear to be inadequate.

9. COMMANDER, UNITED STATES NORTHERN COMMAND (CDRUSNORTHCOM). The CDRUSNORTHCOM, through the Chairman of the Joint Chiefs of Staff, as appropriate, and in addition to the responsibilities in section 8 of this enclosure, shall:

a. Serve as the U.S. Inland SAR coordinator for the provision of civil SAR services in the area associated with the internationally recognized U.S. SRRs corresponding to the 48 contiguous States, in accordance with the guidance in References (e) through (i), and consistent with the guidance in Reference (j).

- b. Designate a civil SAR expert to provide operational advice to NSARC in close coordination with the DASD(POW/MPA).
- c. Provide a representative as required for the DoD Civil SAR Working Group.
- d. Serve as DoD lead in the United States Northern Command AOR for matters pertaining to planning and operation of Emergency Support Function # 9 (ESF #9), consistent with Reference (j).

10. COMMANDER, UNITED STATES PACIFIC COMMAND (CDRUSPACOM). The CDRUSPACOM, through the Chairman of the Joint Chiefs of Staff, as appropriate, and in addition to the responsibilities in section 8 of this enclosure, shall:

- a. Serve as the U.S. SAR coordinator for the provision of civil SAR services in the area associated with the internationally recognized U.S. SRRs corresponding to mainland Alaska, in accordance with the guidance in References (e) through (j).
- b. Designate a civil SAR expert to provide operational advice to NSARC in close coordination with the DASD(POW/MPA).
- c. Provide a representative as required for the DoD Civil SAR Working Group.
- d. Serve as DoD lead in the United States Pacific Command AOR for matters pertaining to planning and operation of ESF #9, consistent with Reference (j).

PART II. DEFINITIONS

The international and interagency civil SAR terms and definitions provided in References (f) and (g) shall be used in connection with conducting or supporting civil SAR operations. These terms may differ from similar terms and definitions used for other DoD missions as provided in the DoD Dictionary of Military and Associated Terms (Reference (r)). Other terms used in this issuance are defined in Reference (r).

civil SAR. Search and rescue operations in the air, on the land, and on the water to assist persons and protect life in a permissive environment. Examples of these rescue scenarios include, but are not limited to, downed aviators, stranded sportsmen, lost boaters, and mass rescue operations. It is DoD policy to support RCC requests for civil SAR, and DoD forces will fund their own activities without allowing cost reimbursement to delay response to any person in danger or distress.
