

## ENCODE External Consultants Panel

The ENCODE External Consultants Panel (ECP) evaluates the progress of the ENCODE Consortium and provides feedback and recommendations to the NHGRI about the progress and scientific direction of all components of the program. It also provides advice to NHGRI on membership in the Consortia for those individuals who are not funded by NHGRI through the ENCODE RFAs.

### Members of the ECP are:

- Guillaume Bourque, Ph.D., McGill University
- Martin Hirst, Ph.D., The University of British Columbia
- Mathieu Lupien, Ph.D., University of Toronto
- Karen Mohlke, Ph.D., University of North Carolina School of Medicine
- Katie Pollard, Ph.D., University of California, San Francisco
- Ken Zaret, Ph.D., University of Pennsylvania School of Medicine
